L-W Wins 25 Top Ratings In District Music Meet

The Lincoln-Way high school music department fared quite well in the Class A district contest for soloists and ensembles staged last Saturday in Rich high school, Park Forest.

Lincoln-Way came out of the various contests with 25 superior, 17 excellent, two good and one fair rating. Robert C. Taylor is director of the band and Tom D. Olson has charge of vocal music at the New Lenox school.

In classifying vocal contestants the terms tenor, soprano etc. are discarded. Whether boys or girls the voices are in three categories, high, medium and low. It should also be explained that when a group of vocalists appear in which there is one voice to a part (like in a quartet) it is called a single ensemble; when there is more than one voice to a part the group is called a double ensemble. It was explained, however, that this double ensemble business is limited so that glee clubs and choruses are still known as such.

Results of the district contest as far as Lincoln-Way is concerned, are:

SUPERIOR: Vocal solos, Robert Hreider, Jackie Zitter and Gail Gregory, medium voice; Bryan Smith and Dan Owen, high voice. Boys single ensemble; girls single ensemble; girls double ensemble.

Band solos: Gwen Doering, flute; Penny Fiegen, flute; Karen Korista, bassoon; Dave Larson, snare drum; Charles Ball, baritone; Sharyn Jeddick, alto clarinet; Richard Zatteau, alto saxophone; Richard Hammond, trombone and Joe Williams, bass.

Piano solo: Mary Jane Donaldson.

Band ensembles: No. 1 flute trio; No. 2 flute trio; woodwind trio; mixed clarinet quartet; No. 1 B-flat clarinet quartet; brass quartet.

EXCELLENT RATINGS: Vocal solos, Margie Arduagh, low voice; Larry Lubway, medium voice; Janice Miller and Prudence Rowe, high voice.

Vocal ensembles: No. 2 girls' singel ensemble; mixed double ensemble.

Consider New Classrooms

The Illinois School Building Commission has tentatively approved construction of eight classrooms and a multipurpose room in school district 135, Orland Park.

As the school district does not have sufficient bonding power to build more classrooms, the school board applied to the State for an interest free building loan.

In making the announcement, K. A. Holvorson, school board president, stated that the board in anticipation of this approval, has been screening and interviewing architectural firms. It is believed that an architect will be selected this week.

The rising school enrollment and

population survey last September indicate that classroom facilities would be exhausted by the fall of 1960.

This tentative approval for the State to build classrooms in the district when received by the school board, stipulates that a bond issue referendum must be passed by the voters before final approval is made by the State Building Commission. Coupled with the building program is the problem of long range school planning.

Scott Funkhauser, State Building Consultant from the office of Public Instruction, Springfield, has been invited by Superintendent Norbert

Honor Two Of Orland's Outstanding Citizens

The two men chosen as Citizens of the Year by the Orland Park Chamber of Commerce received bronze plaques mounted on wood at the annual chamber dinner held on Wednesday night of last week at the Silver Lake Country Club.

Supervisor Fred E. Yunker, was chosen as the outstanding citizen of Orland township and Fire Chief Arthur R. Granat was selected for the honor in the village of Orland Park.

Howard E. Braasch, commander of the Orland Park post of the American Legion was toastmaster and the invocation was given by the Rev. Frank M. Coyle, pastor of St. Michael's church.

The plaque for Mr. Yunker was presented by W. R. Schuessler, Jr. mayor of Orland Park. The plaque for Fire Chief Granat was presented by Dr. E. W. Schuessler, retiring president of the Chamber of Commerce.

The new officers of the commerce group, Ray Shank, of the

I.N.R. Beatty Lumber Co., as president; Arthur Novak, of the Martin Implement Co., as vice president and Edward Schuetz, operator of the IGA Foodliner, as treasurer, were formally installed. Warren L. Schlieske, head of a realty firm at Oak Lawn and former president of the Chamber of Commerce there, was the installing officer.

Mr. Shank, "Mayor Schuessler said," has called upon me to present to Fred Yunker an award by the Chamber of Commerce of Orland Park in recognition of his more than 50 years of service to our community.

"I am deeply honored to join with you in presenting this award to one of the community's outstanding citizens. Mr. Yunker has devoted himself to his various tasks over the many years with an unselfish and untiring attitude."

Mr. Yunker was born in Orland township in 1892 and has been a life member of St. John's church, Mo-

kena. He qualified as a rural mail carrier in 1911 but after 10 years of battling against bad roads he quit the postal service and began farming. In 1923 he organized the Yunker Implement Sales and Service Agency, which is now operated by two of his sons.

He served seven years as tax collector for Orland township and as supervisor since 1936. He also was a director of School Dist. 134 and formerly served on the board of the Pure Milk Association. He has been a member of the Farm Bureau since it was formed. In 1916 he and Augusta Schult were married and have four sons and two daughters.

When he became supervisor in 1936 Orland township had a population of about 500 and the income for town government was approximately \$5,700. Now the township has a population in excess of 5,000 and its income is about \$15,000.

Today," Mayor Schuessler con-

tinued, "in addition to the usual relief and health problems Fred is faced with other problems such as subdivisions, land use, industry, homes, farms and businesses. I am sure few of us realize the great amount of time necessary to cope with the many problems to foresee and champion orderly development, protect existing improvement and conserve property values."

"We are looking for some pretty impressive trends for the future. They present tangible opportunities. A supervisor with experience, ability and above all a 50-year record of honesty is a very valuable asset to all of us."

In presenting Fire Chief Granat with his award Dr. Schuessler expressed the gratitude of the community for his efforts in building up the fire department and spearheading a campaign for funds to erect new quarters for the department.

A carpenter foreman for Braun & Aldridge in Orland Park Hills Chief Granat has been a resident of Orland Park since he was discharged from the Navy in 1946. He was married in December of that year to Lois Rauch of Orland Park and the couple has two children. He has been a member of the fire department since 1946 and since May, 1957 has been chief.

The fire department has wanted a new engine house for many years. A year ago this month a delegation from the department headed by Granat approached the village board on the subject and won its approval. With the aid of the Orland Park Chamber of Commerce the firemen launched a building fund drive on April 30 of last year. There are still some residents to contact for contributions but construction on the new engine house is well along. It is expected it will be completed by mid-summer.

Subscription Sale To Aid Mokena Band

The Mokena Public School Band Boosters need money for uniforms. They asked for a way to raise money without hurting anyone by cutting in on retail sales by selling various confections produced by outside manufacturers requiring a guaranteed investment and the prospects of not more than 15¢ on the dollar.

The Semmler Press appreciates the band and feels that the fund workers should reap a fair commission for their cause, so a plan was arranged by which the band members would sell subscriptions to the News Bulletin at \$3.50 a year (the regular price) and that the Band Booster would receive \$2. of this amount to be applied to the purchase of uniforms. Another \$1. will be used to purchase prizes for the youngsters who sell the subscriptions.

This commission will be paid for new subscriptions only, not renewals or extensions, but if you are a subscriber you can help by telling non-subscribers about our paper and the plan.

The Mokena band is in its third year. It was organized in October, 1957 by the present director, Perry Friedman. The first band had 28 members, pupils from the fifth thru the eighth grades. Of the original number only five have previously played instruments. But six months later the band gave a concert. Since then they have played seven concerts beside participating in parades and other events.

Last March the Mokena band entered the district contest, receiving a first division rating. Last April the band competed in the state contest, getting a second division rating. It will play again this month in the district contest.

There are three bands in the school music program, the B Band (beginners); the I Band (intermediate) and the A Band (advanced). There is a tonette program for the fourth grade and beginning soon will be a rhythm group for the first three grades.

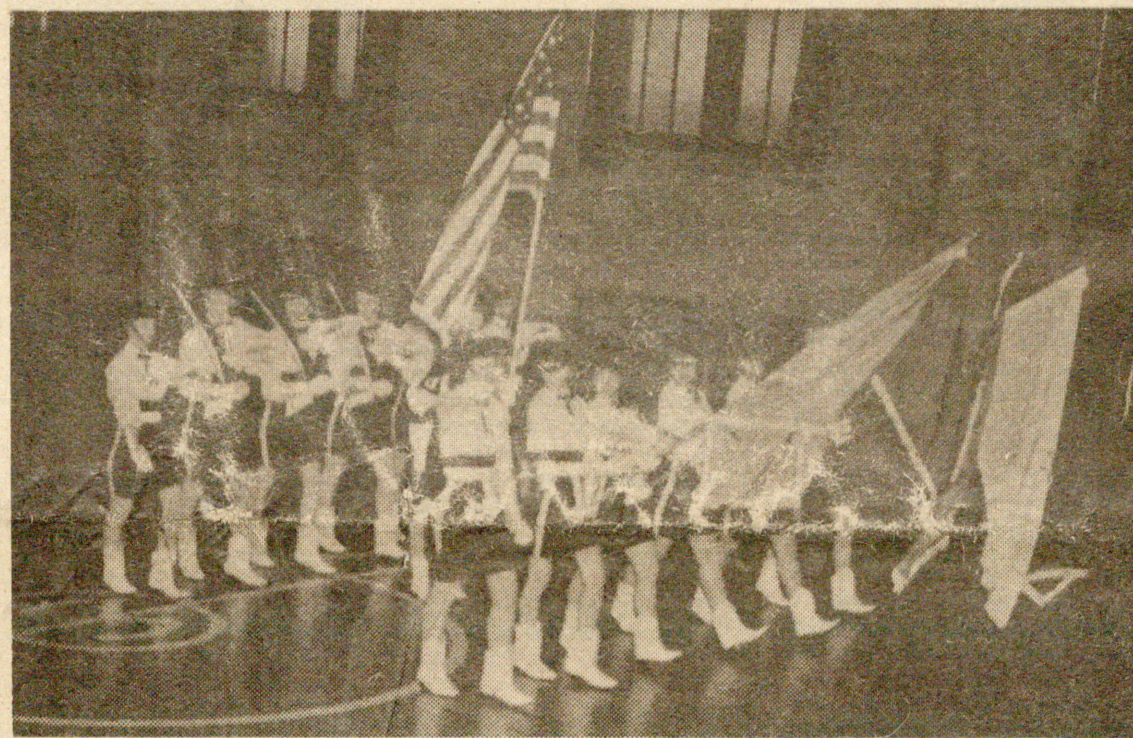

Buying many fund raising projects have been staged by the Band Boosters to purchase uniforms for the band. There are now 45 uniforms but all are not paid for and still more are needed.

Jerling, to visit Orland for the purpose of consultation regarding long range planning at the Orland school.

His report will be presented to the board at the next regular meeting.

Previous conferences by members of the Orland school board, composed of Mrs. George Carroll, Ernest Bengston, Charles McKinley and Superintendent Jerling, have been held with the Illinois Building Commission.

These conferences and consultant services, it is stated, help the school board make decisions today that will care for the school building problems of tomorrow.

Girl Drill Teams Enter Area Contest

A color guard contest, "Colors in Motion" will be held at Lincoln-Way high school gymnasium at 7 p.m., Saturday, March 5.

It is being sponsored by the Dominoes, a girl color guard unit, sponsored by the Frankfort American Legion.

The Shadows of Kankakee, 1959 American Legion national junior color guard champions will put on an exhibition.

Three trophies will be awarded to the first three winners. They are classified as "traveling trophies" until won three successive times by one group, when they may retain them.

The judging will be done by the All-American Judging Association and the Central States Judging Association.

Participating in the contest will be the Marquette Crusaders, Ottawa; Purple Knights, Squires of the Purple Knights, Phantomettes, and Raiders, all of Rockford; Aurora Vaqueros, Aurora; Chicago Cavaliers, Chicago; Crimson Knights, Cedar Rapids, Iowa; Mariners and Mutineers, both of South Milwaukee, Wisc., and the Norwood Park Imperials, Chicago.

This contest with such outstanding entries will be of interest to all area residents.

Tickets may be obtained from any member of the Frankfort unit or at the door.

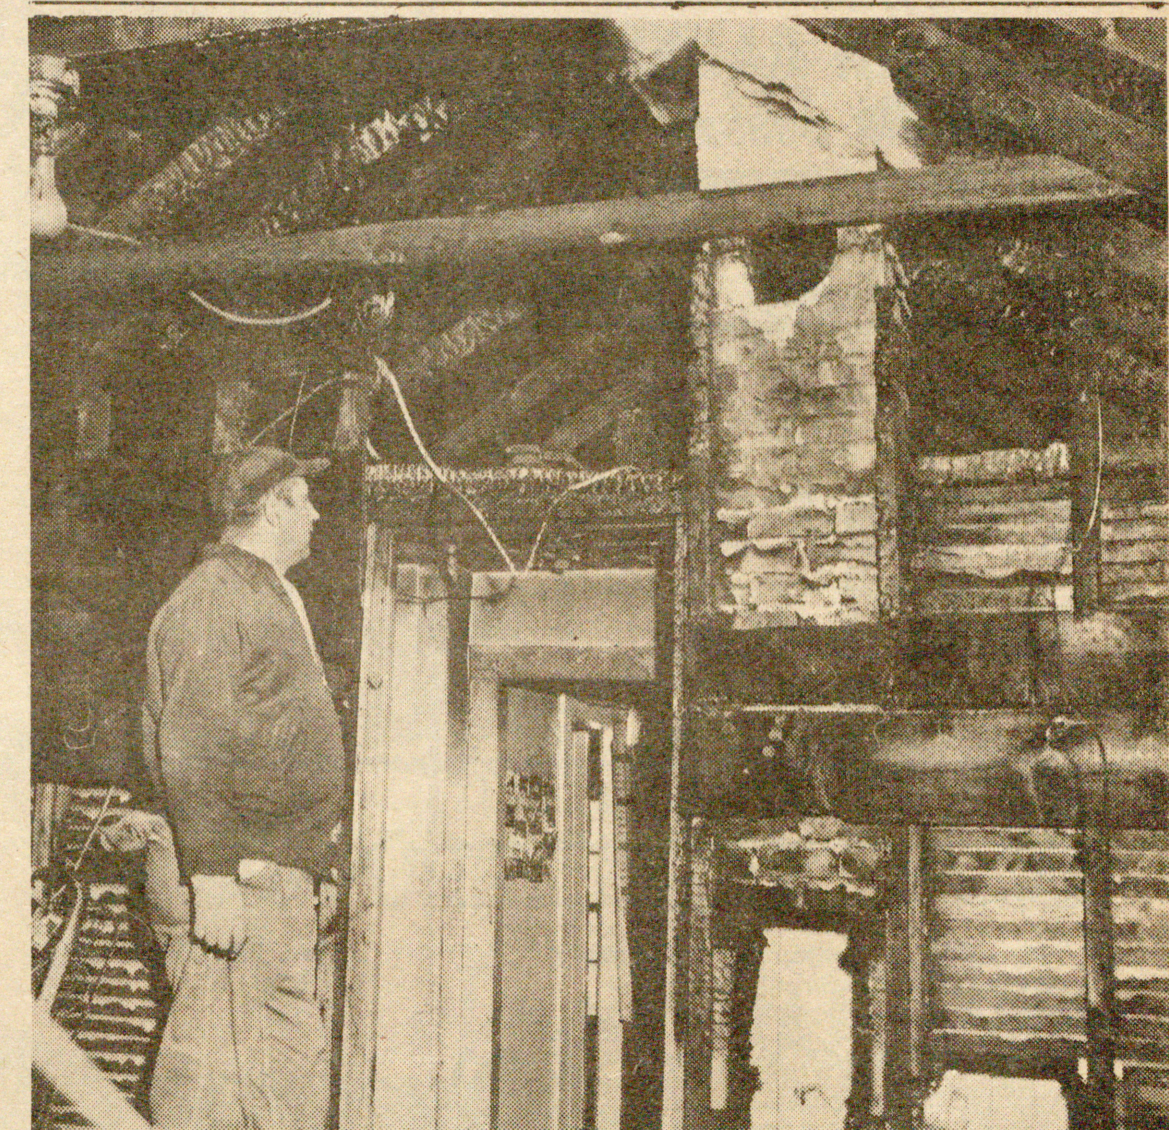

Fire Damages Farm Home

A fire which caused several hundred dollars damage to a farm home, located 1-1/2 miles southwest of Frankfort off Route 45, was extinguished by the Frankfort Fire department last Friday afternoon.

The damage caused by smoke and water also amounted to several hundred dollars, it was reported by fire chief Fred Kohlhaagen.

The James Maitland family, tenant farmers, were at home when the fire started, and were not injured.

The home is owned by Emil Schroeder of Worth.

FIRE DESTROYS interior of Vernon Bormet home at 112 Wolf road, Mokena. The blaze, believed to have started in the attic because of defective wiring, routed the family from their beds early last Thursday morning. Mr. Bormet, who is shown here inspecting the damage in the upstairs section, saved his two sons, Warren and Leslie, who were sleeping upstairs. They were almost overcome by smoke and had their rescue been delayed a few minutes longer it is believed they would have perished. The fire did not get into the first floor rooms but there

was considerable water damage. According to Mr. Bormet the damage to the house will total approximately \$7,500, which is partially covered by insurance. The family also lost most of their clothing and other personal effects and there was considerable damage to the contents of the house. Since the fire the Bormets--there are also two daughters-- have been staying with neighbors, August Werner, Walter Kopp and Walter Keisler. This week Mr. Bormet arranged to rent the Paul Reinke home where the family will reside until their home can be repaired. (M. Smith photo)

Career Night At L-W High

The Lincoln-Way Parent Teacher Group will sponsor the annual career night at the high school on Wednesday evening, March 9, at 8:00 p.m.

Each parent will be able to visit three vocational sessions according to the present time schedule. The business session will end at 8:20. The vocational session will be 35 minutes in length.

There will be representatives from at least twenty different careers at the special night; acting, advertising, agriculture, air conditioning, air-lines hostess, commercial artist, auto mechanics, aviation, banking, beautician, book-keeping, building trades, business machines, civil service, drafting, general office work, journalism, laboratory work, musician, nursery and floral work, photography and heavy equipment operator.

Each group will be quite small and thus will give ample opportunity for the parents and students to ask questions.

Persons from the Lincoln-Way Joliet area will be the resource speakers on the various careers.

The PTG hopes to get this information out to students; additional work needed beyond high school graduation, nature of the work, employment trends in the Joliet area, earnings, and personal qualifications.

Country Club Hills

School Dist. Voters To Elect 4 Members April 9

BY MARGOT BARTNIK
SY 8-7742

The board of education of school district 60, has passed the necessary resolution for holding the school election April 9. There will be four places to be filled.

In addition to the resignation of George Hein, recently announced, the following incumbents will be completing their terms: Ann Jeffrey, Marylou Keys, and Wm. Watkins. The terms to be included on this year's ballot are: 2 three year terms, 1 two-year term and 1 one-year term.

To be included on the ballot for election a petition must be filed with the secretary of the board of education at the Office of the District, 18521 Baker Ave., by March 19. Members of the board of education of school district #160 attended a meeting of the Southwest Cook county special education association to discuss plans for the operation of this program in the coming year. This special cooperative program was formed by 14 school districts of southwest Cook county to better cope with special education needs of the children in this area. Even tho the program is but one year old, three classrooms for mentally retarded children have already been established and it is the hope of all the boards con-

cerned that additional classes for other special education needs can be established within the next year.

CITY COUNCIL NEWS

At the last meeting of the City Council, it was stated that the certified population of our city now numbers 3,126. Certification has been received from Charles S. Carpenter, Secretary of State. The population breaks down into 1, 614 males and 1, 512 females.

City Engineer John Hennessey discussed costs for boring holes to determine the condition of the streets in Units 1 thru 7, inclusive. The city council approved letting of the contract to the Layne Western Co. for boring of 502 testholes at a cost of \$660. Therefore, as soon as the streets are cleared of snow and ice there should be action. Results of the test bores will determine the work necessary to put the streets in shape, and give the city an idea as to the cost involved, it was said.

A radar timer for the police department was purchased for \$1,200. This timer will enable police to enforce the speed limits. Police Magistrate Lou Duerinck stated that radar, when properly substantiated, will be admissible as evidence.

The plan commission in a letter to the council, cautioned against acceptance of the park site south of 183rd, street until such time as the drainage problem has been solved. The council was questioned as to the three ton road limit signs and their effect upon deliveries to homes in our area. It was explained that the limit would not be enforced on delivery to homes provided that the delivering truck lines or stores took the most direct route in, and after delivery, exited by the most direct route. Clayton Ammonsden was appointed by the board of education as liaison between that group and the city council. The council clarified for Mr. Ammonsden the status of the park and recreation board and requested that the board of education work directly with this group toward a recreation program. The safety problem existing on 180th street was brought up by Mr. Ammonsden and will be reviewed by the council. Gerald S. Howard, non-voting secretary of the school board, replaces Del Forsgren on the planning commission. His appointment having been confirmed by the mayor. Harold Tetens has been appointed to the electrical commission. He is an electrical engineer. Lawrence Simon, 18151 Patrick, was given an opportunity to discuss with the council, his recent letter objecting to the city ordinance regarding lights on cars parked on the streets after dark. The matter has been referred to the law and ordinance and police committee for a review and report at the

next council meeting.

The audit has not as yet been completed; therefore the city is still unable to accept William Letzel of 18801 Loretto, mistook new appointment for Treasurer, it was explained. It is believed that this would be cleared by the next council meeting.

SAVE TOT

On Feb. 24 two year old Linda Letzel of 18801 Loretto, mistook a box of mothballs for something good to eat, and had to be rushed by police to St. James hospital, Chicago Heights, for first aid. Linda is now home, safe and well.

C.C. H. JAYCEES

The Jaycees, in cooperation with the city government, distributed notices to all residents of Country Club Hill's Saturday, reminding everyone that March 1, 2, and 3, were their last opportunities to register in order to be able to vote in the primary election on April 12. Also they sought signatures for a petition for rerouting of the Moline expressway listed as F A 180.

FUTURE RECREATIONAL SITES

Future recreational sites within the city limits, was the topic of discussion at an open meeting last Thursday evening of the planning commission and the park and recreation board. The planning commission is now in the process of preparing a comprehensive plan for the city. This month they met with the recreation board and next month will meet with the school board. The planning commission also held two committee meetings last Tuesday to go over the ground-to-speak-covered with the park and recreation board. The plan commission meets each second and fourth Thursday in the city hall at 8 p.m. Meetings are open to the public.

ST. JOSEPH MISSION

Last Sunday, volunteers from the Mission church went from door to door, taking a Census of the Catholics in Country Club Hills. If anyone was missed in this undertaking, they are asked to contact Jack Larmon at SY 8-0570. Next Sunday, March 6, the women of the parish are invited to attend a forum at the mission church at 2 p.m. Guests will be Mother Teresita, O. F. B. and Sister Remigia, O. F. B. from Our Lady of Sorrows Convent at 147th and Central. The Sisters will informally talk about life in a Benedictine convent. Refreshments will be served.

UNITED CHRISTIAN CHURCH

Six architectural firms are being interviewed this week by the building committee, preparatory to the April meeting of the official board. The committee is also viewing other churches in a general price range, and will meet finally this week on Saturday, at 1 p.m. in the home of Mrs. Clarence Leek, committee member. The Rev. Wendell Pew announced the organization of a pastor's class which

is scheduled to meet Saturday

mornings, at 10 a.m. in the study. Another time will be arranged if the young people involved prefer some afternoon after school instead. As part of the area-wide simultaneous evangelism emphasis of the protestant churches in the Chicago area, the United Christian church will welcome a guest speaker in a general pulpit exchange among the Christian Churches. James Stockdale pastor of the Orchard Street Christian church, Blue Island will speak here while the Rev. Mr. Pew will preach twice at the First Christian church of Harvey, and will also be guest in the Christian Community church in Markham for their worship during the afternoon hours. The church was represented at the commissioning of the 7,000 service at the Chicago coliseum last Tuesday, and plans for intensive calling to be done on prospective members during the week of March 6 thru 13th.

A caa-load of the C.W.F. members attended the Quarterly Christian Women's Fellowship meeting in Oak Park on this Thursday, March 3.

The choir completed its slate of officers during a snowy rehearsal this past week by electing Bethanne Schwenk to serve as treasurer. Henry Brown is president.

FRIENDS AND NEIGHBORS

The family of Lance Corporal James H. Spencer is eagerly anticipating his return from three years' service in the marines. Corp. Spencer is scheduled for discharge on April 21, from Cherry Point, N.C. where he is stationed. He notified his mother, Mrs. Gordon P. Spencer, by phone recently that the happy day is not far off.

Mr. and Mrs. Ken MacKenzie celebrated their 15th wedding Anniversary during a night of dining and dancing with friends, last Saturday evening.

Besides the many children ill with the usual run of infectious diseases at this time of year are several "mannas and papas" - to mention a few: Al Mathews, Mrs. Larry Simon, and Mrs. Lee Hoffman.

A farewell surprise party was given last Wednesday evening by members of the Study club, "Aides of Our Lady" for Mrs. Thomas Quigley, who left with her husband and children Saturday to reside at Omaha, Neb. The women in the group presented Mrs. Quigley with a lovely gift, as a token of their affection for her. The Quigley's leave with the best of wishes from all who knew them! Hints For Homeowners

JAMES FIZZELL
COOK COUNTY
ASST. FARM ADVISER

After the dark, dreary days this winter, some fresh flowers in the home are a cheery sight. Many of the spring flowers can easily be forced indoors before they bloom naturally outside.

Forsythia, pussywillow, redbud, and cornelian cherry are some of the earliest blooming of spring shrubs. Since the flower buds are already formed, these branches can be cut and placed in water in the home. In a few days, the buds will swell and burst into bloom.

Remember, if you cut all the buds off your shrubs, they will not bloom this year, so cut sparingly. Other spring flowering shrubs than the above can be forced in the home. Experiment with the shrubs in your yard and see which ones can be made to bloom by forcing.

If you have any tulip, crocus, hyacinth, or narcissus bulbs which didn't get planted last fall, they can be forced now if they have been pre-cooled by exposure to cold weather all winter. Plant the bulbs in pots; four to six bulbs in each pot. Use a soil mixture of about one-third sand and two-thirds garden loam. Water and drain the pots and set them in a cool (45-50) degrees dark place in the home where they can form roots and begin to grow. When the shoots come out, move the plants to a warmer, light place but not in direct sunlight. When the shoots turn green set the pots in the south window. Your local florist can supply you with pre-cooled bulbs, or, if you wish, plants already in bloom.

While you are at your florist, get your tickets for the World Flower Show, March 20-27, and pick up some assorted flower heads to dress up the green plants in your home. Insert the stems in "water picks" and wire them to the branches and leaves with plant ties.

Editorials

Officials, candidates, writers and John P. Public loose thousands of words from time to time on government spending. The subject has been the theme of countless editorials about the country and probably will continue to serve as such for many years to come.

We have written on it on various occasions and wish to refer to it again now. However, we will not use our own words. Instead we give you the words of an expert -- quotes from the Maurice H. Stans, director of the bureau of the federal budget:

WHAT WE DO:

" -- We spend great sums on interest charges on our national debt, but we do not reduce the principal.

" -- We carry on massive Federal programs which State and local governments could do better.

" -- We devote large amounts of money to farm price supports to reduce surpluses, with the opposite results.

" -- We lend money to benefit special groups at rates below those which the Government must pay to its own creditors, when private sources could do the job.

" -- We perpetuate federal programs which have long since met the objectives for which they were created.

FUTURE "CASH ON DELIVERY" OBLIGATIONS
" -- It will cost between 25 and 35 billion dollars to complete the interstate highway system after this fiscal year.

" -- Federal civil public works projects already started will require expenditures of about 8 billion dollars before they are completed.

" -- The federal government is committed to contribute 6 billion dollars in the future for public housing.

" -- Merchant marine subsidies and ship replacement constitute a Federal liability of 4.4 billion dollars.

These and a variety of other obligations, when added to huge unexpended balances in the defense program, total 98 billion dollars of commitments for future Federal spending.

GLENN F. LOGEN

Just in case any of our readers have ideas of being first to report sighting the first robin this corner wishes to say that same has been seen.

Who saw it? The author of this column. The robin was shuffling around thru the snow in front of the office, wearing golashes and a scarf.

When I opened the door to let out a political candidate-- another sign of spring in primary years the robin slipped in and spread his wings to catch some of the heat from the radiator.

"You're early, aren't you?" I asked.
"Yes and no," the bird answered, "and please spare me that stuff about what the early bird gets the worm-- the sparrows are the ones to profit. A larcenous group those spatzies. You want to protect yourself at all times around those birds."

I explained that someone had just told me of reading an article that said warm weather had nothing to do with birds returning north or plants and flowers stirring to life. According to this article it was all a question of daylight. When the days become longer the flowers and plants started doing push-ups and the birds began their flights.

"That's silly," the robin said. "The day is just as long in the south as it is in the north. We birds don't go to California for the winter, you know."
"As a matter of fact," he confided, "sinking his voice and looking furtively about, "as a matter of fact I stayed north this winter. Oh, I was down in Southern Illinois for a while but didn't even go as far as Hot Springs."

"You see there has been so much publicity given persons reporting having seen the first robin that have decided to stage a contest ourselves with a prize for the first arrival."

"By staying up here it should be a cinch for me to take the award. I admit that this is a bit sneaky but it should pay off."

"The prize? A calendar. Some of our people use almanacs but I've always found a calendar serves very well as a guide to the seasons. If one leaves here about the second week of October one usually has good weather in which to travel. Usually I come back in March, as February and early March are pretty bad months weatherwise."

"I'll tell you that," he went on, "I don't want to spend another

winter like this one-- this snow and cold is for the sparrows and starlings. I'll take New Orleans or Central America. Those dictators and revolutionaries in Latin America never bother with the birds, they just shoot each other.

"I've been living around in barns and sheds and I'm tired of it. That's no life for a robin. People are pretty good about putting out food for birds but I'm getting tired of cereals and grains. What I would like is some protein. If you hear of any early worms let me know."

With that the robin buckled up his golashes, tightened his scarf and flitted away.

As soon as the snow melts this robin will show himself so he can be reported as the first to arrive. Then he plans to take off for the south for a vacation to recover from a tough winter.

Legion Auxiliary Meets In Village Hall March 10

BY KATHERINE HEISNER
FRANKFORT 5187

Because of the cancellation of last month's meeting, the American Legion Auxiliary will have various important items to discuss when they meet at 8 p.m., Thursday March 10. Included in the items of future business is an Easter egg hunt.

Mrs. Daniel Hecht will preside at the business meeting and Mrs. Orville Schinkowski and Mrs. Glenn Burkett will be hostesses.

Mr. and Mrs. Burton Breidert returned home recently after spending about a 4-week vacation in the south. They went by plane direct from Chicago to Puerto Rico in about seven hours, there they took a smaller plane to St. Croix, Virgin Islands, where they remained two weeks, from there they flew to San Juan, Puerto Rico, spending 2 days there, then to Miami, Fla., for the remainder of the time. The weather was ideal in the southland and the entire trip was by plane.

Business & Finance

BY MAURICE P. ANGLAND

The best known of the investment services express belief that the stock market is in a healthy position at this time. Poor's Investment Advisory service letter of February 22, 1960 states that the decline in market values of the past few weeks, has created sound levels for accumulation with valuations in a more realistic relationship to earnings.

The service points out that the business outlook is favorable without the "boom" features which could impair confidence on the basis of full year results. Several other services express the same appraisal.

January retail sales are up 2 per cent over December after adjustment for seasonal factors. Textile items have been showing very satisfactory sales. Soft goods were up 5 per cent and durable goods as appliances, hardware, etc., were off 3 per cent and total retail sales up 2 per cent. It is expected that for the full year, durable goods will show a greater gain than the soft goods lines.

Dividend payments in January were about 10 per cent greater than year ago level on basis of Department of Commerce figures.

Easing of interest rates is expected to aid residential building, but 1960 could well be about 9 per cent under 1959.

It is quite apparent that investment buying has been quite selective. The utility company shares which lost some of their appeal when interest rates rose sharply, are now showing strength. Competition in industry is very healthy as the matter of earnings

in relation to plant investment is more closely studied when competition is keen. Investment analysts compare firms within a given industry, as to their percentage of earnings on total plant investment and also percentage of earnings against sales. These figures, if checked for a period of five years, will reveal the efficiency and aggressiveness of management.

In order to get a good picture of the situation, analysts usually check what is known as "cash flow" rather than stated share earnings. The cash-flow figure on a per share basis will reveal actual profits per share regardless of particular firm policies as to depreciation, etc. Some firms are more liberal in depreciation and special charges against earnings with result that stated per share earnings do not reveal actual conditions. The above figures can be deduced from most annual statements.

The best known firms often do not show the best earnings results on the basis of plant investment. Quite often the earnings will be found among the firms which are in the group just under the best known firms as to general popularity or listing as so called blue chips. Often these firms on the verge of entering the top levels, will still be reflecting the management drive and abilities of men who built the firm.

There are chart books showing market prices of most of the stocks listed on major exchanges. These charts set forth market prices over a period of years and reveal the growth of individual firms. It is rather simple to compare the gradient of increase in value with most industries. These charts are logarithmic and are adjusted for stock dividends, etc. Each industry will show its own pattern. For instance market price increases quickly reveal in comparison of International Business Machines, Burroughs Co., and National Cash Register, that 1952-53 were the years in which electronic business machines first had substantial sales.

The studious investor will find these charts very interesting and also revealing.

Methodist Men Sponsoring The Diary Of Anne Frank

The Men's club of the Methodist church is sponsoring the unforgettable cinemascope picture, "The Diary of Anne Frank," starring Hollywood's newest and most promising young star, Millie Perkins.

This film is the story taken from the pages of a 13-year old girl's diary, who, with her family and friends, was kept in hiding from the enemy during the Nazi invasion of Netherlands for over two years in an attic over a bakery shop in Amsterdam.

Also starring with Miss Perkins are Shelley Winter, Richard Beymer, Lou Jacob, Douglas Spencer, Joseph Schildkraut, Gusti Huber and Dody Heath.

The film will be shown just one night, March 11, at 7:30 p.m. at the Central school.

Tickets are 80 cents for adults and 40 cents for children under 12. Tickets are available at the church office and from the Men's club, also at stores advertising the film. Just 600 tickets will be sold.

Mr. and Mrs. Chas. Carpenter, celebrated their 19th wedding anniversary on Feb. 22. Six couples made up a sleighing party to New Lenox, where dinner was enjoyed.

Jay Bissell Honored By Lions

Jay W. Bissell, well-known Lincoln Estates attorney, was the special guest of honor Saturday night, Feb. 21, at the silver anniversary dinner of the Englewood (Chicago) Lions club.

The dinner, which featured speeches by top Lions International dignitaries, was given at the South Side Swedish club in honor of Mr. Bissell, the only active member left of the 27 original Englewood Lions.

The printed programs for the dinner said this about the respected lawyer:

"Jay Bissell is the only charter member of the Englewood Lions still active in the club. He has been a sturdy support for our club,

JAY W. BISSELL
the kind of person who makes Lionism the tremendous social force it has become."

Bissell was presented a large oil portrait of himself, done by Joseph J. Barclay, outstanding Chicago artist.

Robert D. Wyatt, director of Lions International from Detroit, Mich., was guest speaker at the dinner.

He thanked Bissell for his "outstanding service" to the Englewood Lions.

Bissell and his wife, Harriet, have lived in Lincoln Estates for over 25 years, and he is one of the "Pioneers" of the energetic community.

He has actively served the Ann Rutledge grade school P.T.A., and was president of the organization from 1952 to 1954, even though he has no children.

As coach of Lincoln Estates and Frankfort Small Fry baseball teams, he has demonstrated his concern for the welfare of local youth.

Find Orland School Meets Fire Rules

The semi-annual inspection of the Orland Park grade school by the fire department has been completed and the building found to be safe.

Under a new state regulation according to School Superintendent Norbert Jerling questionnaires are sent out from the state department of public instruction covering steps taken to safeguard schools against fire. These reports are filed semi-annually.

The report sent in from Orland Park last week was drawn up by Supt. Jerling with the assistance of Orland Fire Chief Arthur Grant and Ivar Benson, school custodian.

Improvement of fire alarm systems is now under consideration. Very soon, Jerling said, recommendations from the state fire marshal's office and the state department of public instructions will be sent to all schools in

Police Warn Motorist To Park Properly

New Lenox police have opened a campaign to teach proper parking. Chief of Police George Kennedy announced that for the present a brief period only warning tickets will be issued but that later these will be replaced by those which will mean a court appearance and a fine.

Many New Lenox motorists violate practically all the rules when it comes to parking, police say. They park on the wrong side of streets; they park out in the streets; they park with the front or rear of their cars protruding into U.S. 30; some park so other parked cars are blocked.

Among the offenders found by police are parents who halt their cars on the highways in front of schools to let their children alight. Quite a number of people, the chief said, have a habit of crossing over in front of traffic and parking on the wrong side of the street to pick up their mail.

After the warning tickets are exhausted police will crack down on violators, the chief said.

Physio-Therapist Opens Office In Mokena

G. H. Barnhart, health director at the Joliet YMCA announces the opening of offices at 305 Front st., Mokena for the practice of physio-therapy.

Barnhart attended Polytechnic Institute of Natural Science, Erie, Pa., and Central College in Kansas City, Mo., for fifteen years following his graduation. He served as staff physio-therapist in the offices of Dr. E. C. Schumacher, Erie, Pa., for 4 years. Prior to assuming his duties at the Joliet YMCA, he engaged in private practice in Ripley, N.Y.

In addition to being a graduate physio-therapist, Mokena's newest professional man is holder of two graduate degrees in health education. His wife, Caroline, is currently employed as a teacher at the Sherman N.Y. Consolidated Schools and expects to join her husband next fall. It is presumed that she will accept a teaching position in this area.

Barnhart attends the Methodist church, belongs to Theta Eta Chi fraternity and is a member of the New York State Council of Volunteer Theapists for Retarded Children.

Fine Orland Park Resident \$200 On Hit-Run Charge

Donald Knot, 20, of 144 Woodland Ave., Orland Park, was fined \$200, and costs Sunday night by Justice of the Peace August Werner, of Mokena, following a hit-run accident on Front near Mokena street.

Knot, according to the report of Mokena Police Officer Joseph Heim, struck a parked car owned by J. E. Bozenian, 135th and Archer Lemont. Someone caught the license number of Knot's car and a warrant was issued for his arrest, charging him with leaving the scene of an accident.

Knot came back about an hour later to report the accident. He was arrested and taken before Justice of the Peace Werner where he pleaded guilty and was fined. He was held in custody until the fine was paid.

Start Kidnapper Hunt After Alarm At Orland

An AWOL soldier from Ft. Sheridan, who identified himself as Donald Scott 23, of Rt. 2 Urbana, alleged kidnapper of a young mother and baby, was apprehended by state police at a roadblock near Bourbonnais, Kankakee county, Sunday night, after a chase that began at Orland Park.

The mother, a 20-year-old divorcee who uses her maiden name of Nancy Runzel, told police that she had borrowed a car from Peter M. Pertolantiz, Jr., 28, of Villa Park, a refugee at O'Hare airport. Miss Runzel is employed in a gift shop at the airport. She said she had borrowed the car to take her child home. She lives in Des Plaines.

On the outskirts of Des Plaines the soldier boarded her car, Miss Runzel said, and drawing a knife he pressed it against her ribs and told her to drive him to Kankakee.

At Orland Park the car needed gasoline. Miss Runzel drove into the DX station operated by John Witmore at 143rd and U.S. 45. She succeeded in persuading her abductor to allow her to call Pertolantiz to explain her long absence.

Witmore overheard her conversation and volunteered to assist her. The girl refused, saying that the man in the car was holding a gun on her baby. This was about 10 p.m.

Luther Wike, 70, of 9875 W. 143rd, st., Orland Park, a night watchman, came into the station as Miss Runzel was going out to her car. Witmore informed Wike of the situation and the latter started after the car to get the license number.

The car went south on U.S. 45 to 159th st. where the soldier had Miss Runzel turn west. Apparently he had noted that Wike was following. Wike gave up the pursuit, he later told Orland Park

police, when the man rolled down a window and took a shot at him. In the meantime Pertolantiz had told an airport guard, Arthur Locke, of the situation and Locke, a former state policeman, called that body and also telephoned Orland Park police.

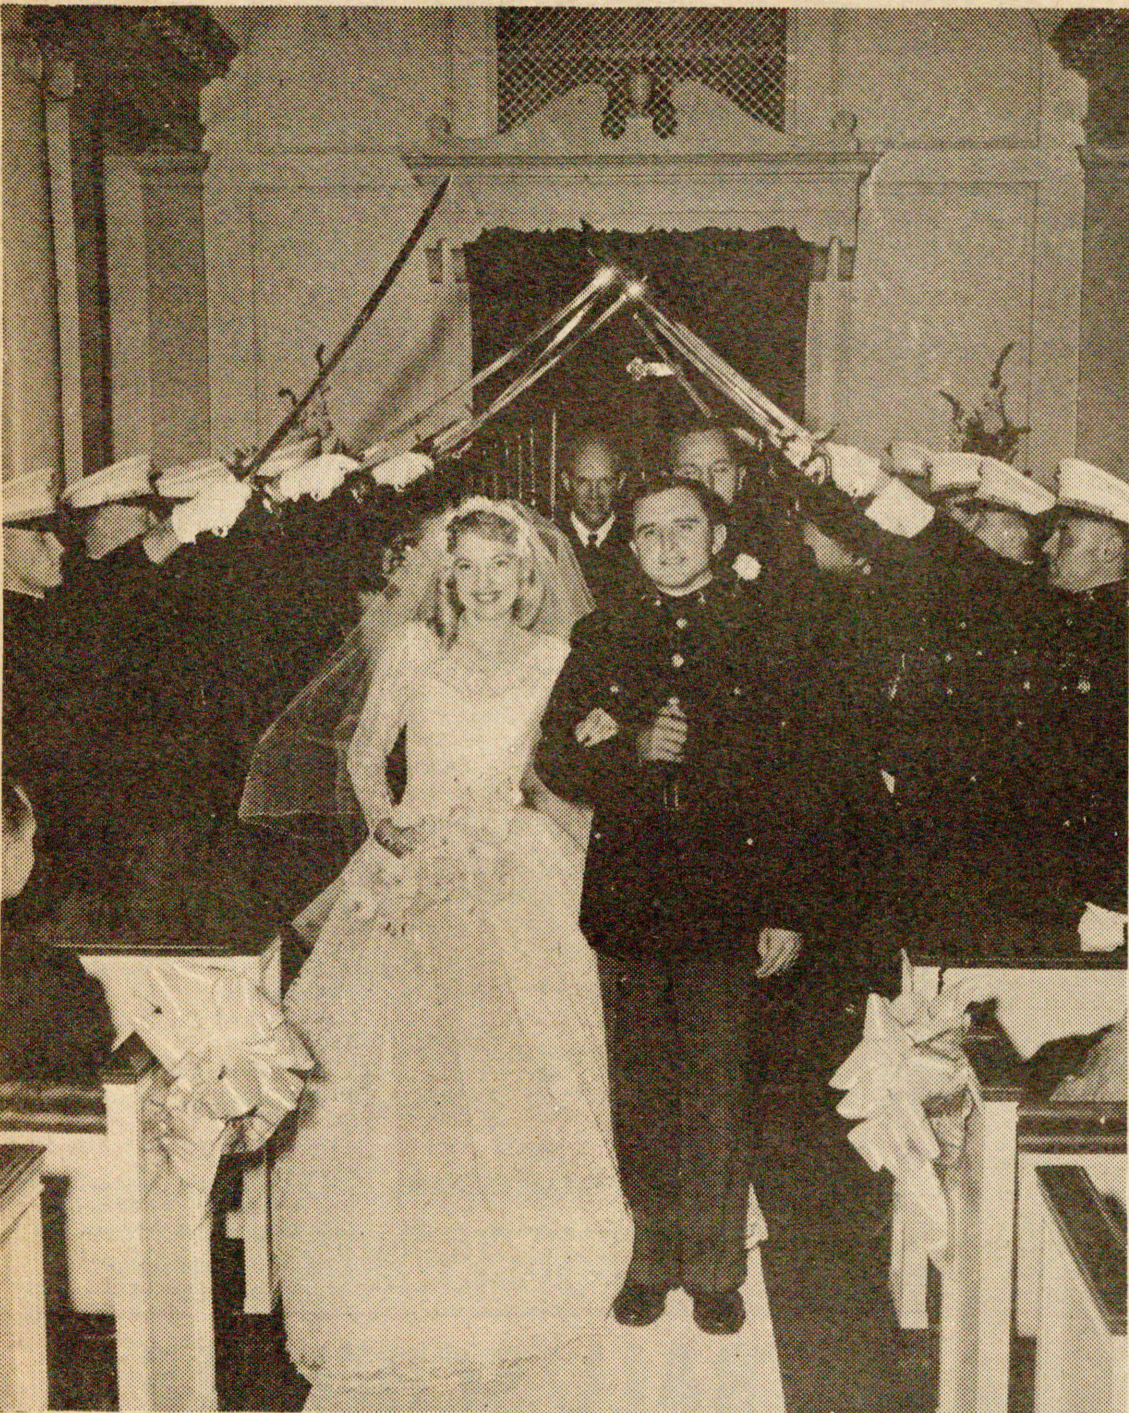

State police set up a roadblock near Bourbonnais and when the car was halted there Scott surrendered without a struggle. He told police he did not know why he abducted the mother and baby. Neither of the victims was harmed, police reported.

Scott denied he had a pistol. He was jailed.

VAUDEVILLE SHOW

MR. AND MRS. KARL S. SMITH

1ST. LT. KARL S. SMITH USMC, son of Mr. and Mrs. Sigmund V. Smith, Orland Park, recently took as his bride, the former Alpha Della Connell, daughter of Mr. Amos L. Connell of Ocala, Fla.

The full military wedding, was held at the Naval Air Base chapel at Pensacola, Fla.

The bridegroom is a graduate of Orland Park High school, Normal University and has studied law at the

University of Illinois and John Marshall Law School, Chicago.

His bride is a graduate of Mississippi Southern College and was a member of the faculty of Escambia High school in Pensacola.

The couple now reside in Kingsville, Texas, where he is in advanced jet training.

Over 300 Attend Reception For Golden Wedding Couple

Over 300 guests attended the open house Sunday afternoon in the St. John's Church of Christ, Mokena, when the 50th wedding anniversary of Mr. and Mrs. Edward Martie, Mokena, was observed. The honored couple's sons and their wives, Mr. and Mrs. Howard Martie and Mr. and Mrs. Willard Martie, both of Mokena, planned the pleasant affair.

Mrs. Martie was attired in a navy blue sheer dress and wore a yellow rose corsage. Mr. Martie had a yellow rose boutonniere. Tables were decorated with flowers in gold containers and gold leaves. The gift table, which was presided over by grand daughters, Mildred Martie, Tinley Park, and Susan Martie, Palatine, was also decorated with a white cover and gold leaves. A lovely centerpiece of yellow flowers added to the many gifts placed on the table, among which

were two money trees and a money tray, and many beautiful cards. Granddaughters, Miss Barbara Martie, Chicago, Mrs. Lois Skelton, Mokena and Mrs. Dorothy Bohnsack, Joliet were in charge of the guest book. Mrs. Lucille Bormet, Tinley Park, presided at the punch bowl and Mrs. Joanne Marshall, Chicago, the coffee urn.

The Mesdames Harold Spiess, Henry Shevlin, Peter Homering, Edward Schmidt, Lester Shiek and Hans Mueller were in charge of the kitchen.

Mr. and Mrs. Martie are both in good health. Mrs. Martie has been a dressmaker for many years and still follows that occupation besides her regular housekeeping duties. Her many friends will not consent to her quitting the dress-making art, of which she is an excellent designer and seamstress. Her family often promise to give her a gold needle and scissors.

Mr. Martie, keeps himself occupied as maintenance man at the village hall. He is also vice president of the Mokena State Bank, and interested in community activities.

Honor Past Presidents Of SWAC

In celebration of Founder's Day, two past presidents of the Southwest Area Council of Parent-Teacher Association, were honored guests at the meeting held Feb. 23, in the Midlothian public school.

They were Mrs. Walter Fierke of Tinley Park and Mrs. Edward Pettijohn of Midlothian.

A symposium of "Youth Prepares for the Scientific Age" was presented with guest speakers, George Kingland, superintendent of South Holland public schools; James Cordar, physics teacher, Bremen Community High school; and Ralph Galluzzi, science teacher Markham Public school.

The nominating committee presented the slate of executive officers for the 1960-61 term.

Mrs. Philip Wheaton, president, presided at the business meeting.

ENGAGED

Mrs. Mildred Brouillette of Lincoln Estates announces the engagement of her daughter, Donna Marie, to Herbert G. Baker, son of Major and Mrs. Herbert J. Baker, of LaPorte, Ind.

The wedding will take place Saturday June 18.

Mokena Couple Celebrates 50th Wedding Anniversary

The golden wedding anniversary of Mr. and Mrs. Wilbert Spiess, 68 Hacker st., Mokena, was celebrated Sunday afternoon and evening at a family gathering.

A dinner for 33 guests was held in the home of their daughter, Mr. and Mrs. Everett Creer, Second st., Mokena.

The home was attractively decorated for the occasion. The dinner table had a white linen tablecloth and was centered with gold flowers in a gold container.

The honored couple received many gifts, among which was a money tree and many flowers from well-wishers.

The couple was married in Chicago March 2, 1910 and went to housekeeping on the Jake Shiek farm on Maple rd., where they lived until retiring from farming about three years ago, when they moved into the village.

She is the former Sarah Martie, daughter of the late Albert and Elizabeth Lauffer Martie of Homer Township. He is the son of the late Peter and Elizabeth Hewson Spiess of Orland Park.

They have two children, Edith of Mokena, and Howard of Evergreen Park.

They both enjoy good health. For recreation they enjoy watch-

ing television and reading. Mrs. Spiess enjoys sewing and makes clothes for herself and children. Mr. Spiess likes working outdoors, especially gardening.

Foreign Foods Featured At Club Meeting

"A World Fair of Food" will be presented at the March 7 meeting of the Southwest Suburban Welcome Wagon club.

The meeting will be held at the Church of the Transfiguration, 12219 - 86th ave., Palos Park, at 8 p.m.

The Northern Illinois Gas Company will present the program. Eleven different dishes representing various nations will be prepared by Mrs. Alice Slaneck, home service advisor.

The dishes will be given as prizes. Members are urged to attend and bring a friend.

RNA Awards Member With 25-Year Pin

Gladys Reder was presented with a 25-year pin at the meeting last week of the Royal Neighbors of America in Tinley Park. She was given the grand honors of the society and a party in her honor was held following the meeting, by Creta Keuch and Sally Nolte.

Two new members who were welcomed into the camp and given the obligation, were Jeanette Bowers and Alice Gasperic.

Members decided to give a small gift to the patients in one of the wards at the Tinley State hospital in March, also to take another ward and remember them for Easter.

The meeting was presided over by Sally Nolte, president.

Esther Nitsche read the special auditor's report and Erna Schoenbeck won the award of the evening.

LOSE WEIGHT THE EASY WAY AT "Y"

Miss Gerry Moynahan, fashion stylist and course director of the weight reducing course at the Southwest Suburban YMCA, 94th and Knox in Oak Lawn, instructs ladies in makeup and other beauty aids. Miss Moynahan reports that over 5,000 women have

taken the course with individual weight losses ranging from 10 to 165 pounds. She added that new members can expect to lose up to 24 pounds in the eight-week program. Menu planning and calorie counting are emphasized. Members are also instructed in physical firmness, relaxation and a complete charm course.

Tinley Woman's Club Enter In National Sewing Contest

Pattern books and travel folders have been favored reading for many members of the Tinley Park Woman's club for the past few months.

Mrs. E. P. Virtue announced the club's plans to enter the 3rd annual Fashion-Sewing contest sponsored by the General Federation of Women's clubs and Vogue Pattern service, in cooperation with the Woman's Club Service Bureau of New York City.

First prize in this national con-

test is a trip to Europe, with other awards including trips to the Federation's annual convention in Washington, D. C. next spring.

All contestants are required to make and model an outfit which they consider the "Ideal Costume" for the clubwoman's wardrobe.

The winning entry will be selected on the basis of adaptability for various club occasions, over-all fashion effect, becomingness to wearer, and workmanship.

March 14 Last Day To Register In Will County

Will county voters who are not registered for the April 12 primary have until March 14 to do so, it was announced this week by County Clerk Joseph Hartley.

To be eligible for registration one must be a citizen who is or will be 21 on or before April 12 and has been a resident of Illinois for a year, of the county for 90 days and the election district 30 days.

Persons who have changed their names thru marriage or court action must register under their new names.

Persons may register at the office of the county clerk in the court house at Joliet or with one of the registrars in their towns.

Registrars serving the area are: Mokena, Harold Cooper; Frankfort, Supervisor William Kampe and Edna T. Wiegell; New Lenox, Ronald E. Crisman; Homer, Barney N. Wheaton and Green Garden, Richard Nieland.

Seek More Protection At Crossing

(CNS) — The Illinois Commerce Commission has ordered the Elgin Joliet and Eastern railroad to appear March 10 to determine what steps are necessary to protect the public at the line's Main street crossing in Matteson.

The citation order was issued Thursday as the commission launched an official investigation into the death of Andrew T. Sloan, 17, of 3631 213th st., Matteson, who was killed at the crossing by a train on February 16.

Police have said the youth's auto may have stalled on the tracks and reported the flashing lights at the south suburban crossing were working.

The commission's engineering staff made an investigation to determine what additional protection may be needed at the crossing. The citation order directs the railroad to show cause why, if such a position is taken, protection shouldn't or can't be improved.

The March 10 hearing will open at 10 a.m. in commission offices in the State of Illinois Building, 160 N. La Salle St., Chicago.

The Sloan youth was a junior at Rich township high school, where his father, Gregg, is athletic director.

The earliest known angling book in English, the "Treatise of Fysshynge Wyth an Angle," printed in 1496 in Westminster, England, lists 12 fly patterns. Ten of them are still used by fishermen.

The first agricultural fair in the United States was held in Pittsfield, Mass., in 1810.

Orland Legion Auxiliary Hold Game Session

The Orland Park Unit 526, the American Legion Auxiliary, will hold a short business session starting promptly at 8 p.m. Friday March 11, so that the social period can be in full swing by 8:30 p.m.

Hilda Nitsche, will preside at the business meeting to be held in the Legion hall.

The past president, Dorothy Thoms, will conduct a few games of bunco followed by refreshments. The games are a past presidents party project.

Members are to invite a guest, also wives of the Legionnaires are invited.

At the last Unit meeting, arrangements were made for the president to attend the annual patriotic conference at the Morrison hotel in Chicago on March 24.

Slim For Spring Is Theme Of YMCA Reducing Course

"Slim for spring."

This is the slogan of the new weight reducing course for women sponsored by the Southwest Suburban YMCA, 94th and Knox in Oak Lawn.

Members also are instructed in makeup, posture, hairstyling, wardrobe planning and many other things of interest to the ladies.

"Join the Easter parade with a new trim figure", is the lure held out by the Southwest Suburban YMCA, and they add that all methods used have been tried, tested and proven.

In the calorie counting reducing

program directed by Miss Gerry Moynahan, fashion stylist, women have shown individual weight losses ranging from 10 to 25 pounds in the eight-week period the classes ran.

A new course is to begin Monday, March 14, it was announced by Mr. Robert Williams, executive director of the Southwest Suburban YMCA, and women interested in being "slim for spring" may register by calling the "Y" at Garden 4-8100. There will be both afternoon and evening classes. Classes are limited and will be filled on a first come, first served basis.

Orland Park Juniors Seek Clothing For Needy Infants

The Orland Park Junior Woman's Club held its monthly meeting on Monday, Feb. 15, 1960 at 8:00 p.m. at the Legion Hall.

Mrs. Donald Pedrick, Philanthropy Chairman again expressed the desperate need of shoes and clothing for retarded children, from infant to three years of age. These articles will go to the Misericordia Hospital.

Mrs. Milton Westlund, Veterans Service Chairman asked that all stamps be brought to the March meeting. These are for the G.F.W. C. Jr. Project and for the 7th District I.F.W.C. Project.

A letter was read from the Orland Center School Dist. 136 thanking the Club for the \$100 coin the Club for the \$100 donation.

Mrs. Thomas Gonzales American Home Chairman arranged the

program of floral arrangements presented by Mr. and Mrs. Robert Watkins of the Tinley Park and Brainard Floral Shops.

The hostesses were Mesdames Thomas Gonzales Victor Ebling, Thomas Gonzales, Victor Ebling, Harry Barbee, William Fischer, Merrill Cooper, James Whiteford, William Grosskopf and John Heron.

Letters To The Editor

NEEDED: PEOPLE OF PRINCIPLE, COURAGE

Sir:

Recent disclosures of the evils prevalent in the police department of Chicago are, or at least should be, of utmost importance to citizens outside the city as well as those within. Let us not be so glibly as to believe that these evils do not exist outside the city.

If we are to retain the privileges of democracy, it will take more than exercising the right to vote on election day. With every privilege comes responsibility and obligation. Surely no one in this day and age is naive enough to believe that listening to campaign speeches and then casting their vote is the fulfillment of their obligation. In the struggle for liberty, justice and freedom during the American Revolution, the victory was not all accomplished by men elected to office. It required the combined efforts of every citizen. It is evident that the combined efforts of every citizen will be needed to retain those essentials of democracy.

The writer has been fortunate in the past few years, to have been associated in one way or another, with a number of thinking citizens who, though not versed in sociology or political science, are deeply concerned over the complacency and apathy of the average American. After numerous "arm-chair strategist" discussions, the general consensus has been that actually, the ills of our legislative, judicial, and law enforcement agencies are a product of either disinterested or uninformed citizens. It is a fact, of course, that a newspaper cannot print news it doesn't have, for the simple reason that judicial and law enforcement agencies do not always give out information that should be printed.

We complain of high taxes among other things, and accept it as a necessary evil which accompanies progress. We had better begin asking ourselves and our associates a few questions. How many people have really stopped to figure out how much of his dollar goes for taxes? Very few, you may be sure. Those who have, were astounded. Have you ever wondered why so many mothers have had to find employment even though the fathers have full time employment? It can't all be blamed on inflation.

It has been said by many that we do not have much choice in the selection of candidates and no one can deny it. It is time for every citizen to become vitally interested — not in servants, it can't stop there. As one member of the senate investigating committee has repeated, it is up to the citizen to be his own policeman. When he knows of unethical practices he must make them known. Politics such as we have today have no place in a true democracy. Have you ever looked up the definition of the word "Politician"? The American College

dictionary (Harper Brothers) states: "One who, in seeking or conducting public office, is more concerned to win favor or to retain power than to maintain principle". Small wonder then, that we are plagued with corruption.

If we are to preserve any semblance of democracy for future generations, we must rise above politics and political patronage. The fact that a man is successful in assuring a certain number of votes, or is capable of contributing a sizeable amount of money to a political party in no way makes him a capable or ethical public servant. Nor does it qualify him to dictate the policies and activities of a public servant.

It is time that John Doe becomes active in the war against this political strangle hold. Certainly he would bear arms against aggression from without if necessary, and by the same token, he must overcome the aggressor from within. He can begin by foregoing that Western or that spectacular on TV, and by watching and listening to programs dealing with problems pertinent to ours and future generations. He can read items, large and small, in newspapers and magazines. He will soon learn to read between the lines. He can discuss these issues with relatives, friends, neighbors and associates at work.

We have not been placed on this earth merely for the sake of propagation. We have a divine and a human obligation to make it a better world in which to live. We can best teach our children by example; and if our only example is to let the politicians think for us, and choose politicians for our candidates, while we blandly put an X on a piece of paper every few years, we deserve exactly what we are getting.

This will not be an easy struggle, nor a quick one. Do you, Mr. and Mrs. John Doe, have the courage and foresight to begin your attack? Let each one of you begin that small nucleus right where you are, among your associates, and one fine day we will see one cell joining another until there is one great body of intelligent, informed people working together for the good of all Americans instead of just a few. Gone will be the hey day of the racketeer and unscrupulous politician. It is possible only through your active participation.

Not long ago we listened to a rather apathetic citizen who is thinking beyond today. He is dissatisfied, disappointed and disgusted. He feels a sense of responsibility to his own generation, but more so to that of his children and their children. He doesn't

Farmers Insurance Reelect Officers At Annual Meet

BY KATHERINE HEISNER
Frankfort 5187

The annual meeting of the Green Garden Farmers Insurance Company was held Wednesday Feb. 24 at the town hall. Officers, directors and authorized agents were re-elected for another year; namely: Harold Scheer, president; Donald Wilke, vice president; W. Bauer, treasurer and Alvin Bruggeman, secretary.

Vern Williamson, representative of the Farmers Reinsurance Company of Grinnell, Iowa, was the guest speaker. His topic was on complete coverage in one policy which will be adopted and available by the Farmers Insurance Co. For more details have the local authorized agent explain it.

CHURCH NEWS

The WSCS of the Methodist church were guests of the WSCS of the Manhattan church Wednesday afternoon March 2.

The WSCS will hold their monthly meeting at the church Wednesday March 9 at 1:30 p.m. Dessert coffee will be served preceding the meeting. Hostesses will be Mrs. David Dralle, Mrs. Irvin Rehberg and Mrs. Dewey Andres. Mrs. Elmer Morrison, Mrs. Clyde Weber and Mrs. Siegfried Beckman will have charge of the devotions and program, entitled "How Total is My Stewardship."

The Home Bureau unit will meet

like the prospect of sitting back during his less active and productive years, and apologizing to the younger generation for the heritage we've given them. He hates to think of telling them, "Yes, we knew things were bad, — we knew we had a poor choice of candidates, — they weren't good public servants, just good politicians. We thought about it a lot and talked about it a lot, but by that time the political machines and racketeers were so entrenched, and there were so few of us, — we just never got around to organizing. You see, everybody was so busy trying to make enough money for better homes, better schools, better churches, better education for the kids, taxes, charity, and other worthy enterprises —" And he knows that a verse from the Bible which haunted him in earlier years will return again to haunt, — "The harvest is truly plentiful, but the workers are few."

HOMER NEWS

By Elisabeth Anderson

Twin girls who were born in Homer twp. 75 years ago, Mrs. Wm. Mergler and Mrs. Erwin Lynk, celebrated their birthday anniversary on Sunday, Feb. 21, with a family buffet dinner in the George Burcham home, Creme Rd. Mr. and Mrs. Donald Mergler and six daughters of Dalton, and Mr. and Mrs. Amos Conrad and children of Chicago, also Mr. and Mrs. James Bethel of Joliet assembled with the Burcham family and the honored guests for a surprise noon-time meal.

On Saturday, the celebrants were dinner guests in the Richard Wilson home in Park Forest, Mr. Wilson's mother, the former Beatrice Ruland, also Mrs. Mary Carmichael, who is Mrs. Richard Wilson's mother, were also present. The ladies received many lovely gifts and cards, for which they thank their friends. They say "it was the best birthday ever."

Mrs. Verna Ault 'phoned congratulations to mother and aunt from Kansas City.

"Edna" and "Ethel", as they are best known, are the daughters of the late Mr. and Mrs. Acker Ruland who lived on the hill-top farm at 151st and Cedar Rds. They have lived much of their lives in this area, and presently, Mrs. Mergler makes her home with the Burchams, while Mrs. Lynk resides at the Stanton Lynk Homestead on Maple Rd.

The Homer Fire Auxiliary will hold its regular monthly meeting Monday evening, March 7, at 8 o'clock, and this time, please take notice, the meeting will be held for the first time in the new Fire House, on Cedar Rd.

The Roller Skating party sponsored by Homer School Club Thursday evening was quite successful, in spite of roads and weather. The Missionary society postponed its Thursday meeting because of road conditions. They will furnish lunch at the Frank Parker farm sale on March 5.

Mr. and Mrs. Robert Henry, who live at Bruce and Gougar Rds., are the parents of a son born in Silver Cross hospital on Washingtons Birthday. Another president, maybe!

Mrs. Walter Janoez, Creme Rd., was taken by ambulance to Silver Cross Hospital for an emergency operation last Friday. She is recovering satisfactorily.

Harold Drewes remains critically ill at Elkhart General Hospital, Elkhart, Ind. His wife, Evelyn, is with him and the children are staying in the Bruce Anderson home.

Blood donations are needed, and are being taken at Michael Reese hospital in Chicago, or it is possible to make the arrangements through the Silver Cross hospital.

Mr. and Mrs. Bruce Anderson attended a Farm Bureau meeting in Joliet last Tuesday morning when the plans for the new Farm Bureau building were unveiled. The staff and directors attended. Coffee and doughnuts were served.

Members of the Country Champs 4-H Club were entertained in the home of Becky White, 151st St. Homer twp., on Feb. 19. Becky gave a report on the "share the fun" program to be held at Lincolnway School March 15. Mrs. Brown, leader, discussed the window display project for 4-H week. Talks and demonstrations on phases of sewing were given by Susan Kinney, Cathy Zander and Becky White, Bonnie Mlynarik and Susan served refreshments. Cindy Blum was elected treasurer for the balance of the year.

The James Springer family who have been staying at her parent's the John Louckses, for a few weeks, have moved to a new trailer home at the LeBar Trailer Court, on Rte. 30.

Rev. Hugo Pruter and Mr. Poselka, officers of the Central congregational Association, visited Homer church Sunday.

The Homer Fire Flies met Saturday to plan their part in the "share the fun" program to be sponsored by the Will County 4-H at Lincolnway School March 15.

World Day of Prayer service, sponsored by United Church Women of the Lockport area, will be held at the Evangelical Covenant Church, beginning at 11 o'clock. Following a sacrificial meal at noon, a second service will be held at 1 o'clock. Also there will be a children's service in the educational building of the Methodist church, Lockport, at 4 o'clock. Several Homer women plan to participate.

The Ways and Means committee of the Missionary society of Homer church is distributing tickets for the Father-Son supper to be held at the church the evening of March 17.

—O—

FOR YOUNG READERS

"Wildwing" by Phoebe Erickson. The story of an Arapahoe Indian boy who adopts a wild colt. Much authentic lore of present day Arapahoes as well as a rousing good horse story.

"Golden Treasury of Myths and Legends". A beautifully illustrated collection of the favorite tales of other days. Excitingly re-told for modern readers and brought alive by many pages of full-color pictures. Ideal for the parent who wants to introduce his child to Beowulf, Sigurd, Roland, Tristan and many other legendary favorites.

—O—

FOR OLDER READERS AND ADULTS

"First Under the North Pole"

by Commander William R. Anderson. The dramatic story of the voyage of the Nautilus, by its commander. Illustrated with many photographs. Absorbing reading for everyone.

"Only When I Laugh" by Gladys Workman. Unique story of a fabulous woman who left the gay life of Los Angeles for the Oregon woods. Her tales of misadventure are familiar to Jack Parr fans and are light and interesting reading.

"All the Days of My Life" by Sister Mary Jeremy. A penetrating account of the life and thoughts of a Franciscan sister. This will be of special interest to Mokena residents because the author teaches in Joliet. Her accounts of convent life and faith are interesting and inspirational for both Catholic and Protestant readers.

The Mokena Village Library is located on Front Street, two doors west of the Midwest store. It is open every Wednesday from 3:00 to 4:30 in the afternoon and from 7:30 to 9:00 in the evening. All area residents are welcome to check out books.

C.C.H. Firemen Plan Fund Campaign To Buy Equipment

The Firemen's club of the Country Club Hills fire protection District has set its goal for the purchase of a utility truck at \$8,000. This figure, in addition to covering the cost of the truck, will enable the purchase of the numerous items listed on the specifications submitted by the Fire Dept. These items include a portable pump which can be connected directly to a fire hydrant and a smoke ejector, a large portable fan used in the removal of dense smoke from fire effected buildings. Also covered by this \$8,000 figure is the adjustment or expansion of the fire house necessary to accommodate two pieces of apparatus.

The Firemen's Club urgently asks the support of the public in this venture. The goal can only be reached with the help and cooperation of the residents of this city, they pointed out. "No resident of the fire district wants to lose the present rate granted by the Cook County Inspection Bureau, a rate that enabled all residents to realize a savings of about 40 per cent in their fire

insurance, nor do the residents of this growing community want to feel they are without adequate fire protection," a spokesman for the firemen said and added, "Your Volunteer Firemen can only do so much without your help. In a short while, all homes in the Fire Protection District will receive a letter explaining how the occupants can help the Firemen's Club attain this eight thousand dollar goal. This will be your opportunity to show that you care for the lives of your loved ones and the protection of your property."

New Members Welcomed By Tinley RNA

New members who were voted into the Dew Drop Camp No. 2023 Royal Neighbors of America at the last regular meeting, were Richard Cupp, Katherine Panozzo and Evelyn Hansen. Georgine Keuch was transferred from Juvenile to Adult camp. Also welcomed and given the obligation, was Marie Whalen.

The award of the evening was won by Helen Osberg.

A Valentine party was given for the members by the officers who were the hostesses of the evening's meeting, held in Teehan's hall. There was a Valentine exchange and a Valentine and handkerchief shower was held for the new Oracle, Sally Nolte, who presided. Pleased and surprised by their thoughtfulness, she wishes to thank all of the members.

All members are urged to attend the next meeting at which time various plans for the year will be discussed.

Plan 3-Day Services

Hundreds of Commissioning Services will be held across the state of Illinois Feb. 28, 29 and March, as a prelude to the simultaneous Evangelism Emphasis to be sponsored by 28 Protestant denominations March 6-13, 1960.

A huge service at the Coliseum in Chicago, a "We Worship to Witness" service in Peoria, a great Protestant Rally in Decatur, - these and hundreds of others in all sections of the state will set the stage for the dedication of thousands of workers to the task of reaching unreached persons in the name of Christ! Most communities cooperating

in the simultaneous Evangelism Emphasis will be engaged in a visitation program, and it is these teams of visitors who will be commissioned at the special services to be held next week.

The basis for such an evangelism technique is found in the New Testament, when Jesus appointed the seventy and sent them out by twos to precede his coming to the cities and villages. The Master's words on this occasion were: "The harvest indeed is plentiful, but the laborers are few; pray therefore to the Lord of the harvest, that he sent forth laborers into the harvest." (Luke 10:2).

Couple Wed At Nuptial Mass In Chicago Church Jan. 9

Queen of All Saints church on Saganash st., Chicago, was the setting for the marriage of Frances Annette Kaiser to George Har-

old Ficker of Tinley Park, on Jan. 9. The solemn Pontifical Nuptial Mass was celebrated by Bishop

Raymond P. Hillinger, Auxiliary of Chicago and pastor of St. Mel Catholic church. Francis J. Dolan, pastor of Queen of All Saints church was assistant pastor. Among the visiting priests in the sanctuary was the Rev. Thomas D. O'Connell, pastor of St. George church, Tinley Park. Bishop Hillinger announc-

ed that His Holiness Pope John XXIII had bestowed the Papal Blessing on the young couple.

The bride is the daughter of Mr. and Mrs. Otto A. Kaiser of N. Legett, Chicago; and the groom is the son of Mr. and Mrs. John Ficker, Ridgeland ave., Tinley Park. Wearing a satin peau-de-soie gown with cathedral train, the bride was escorted by her father. The dress was trimmed at the neck line with Alencone lace and seed pearls. At the waistline was a small peplum of lace and pearls. She wore a single strand pearl necklace. Her veil was French illusion with a crown of small hearts in seed pearl and iridescent. She carried a pearl misal on which were arranged white cymbidiums and stephanotis. She also carried an imported ivory

carved rosary.

The maid of honor, Miss Barbara Jo Summers, wore a cottillion blue silk moire dress with fitted bodice and bell shaped skirt. Her hat consisted of a bow band of the same material as the dress. Matchline shoes and white kid gloves completed her costume. Her jewelry was pearl necklace and earrings. She carried a bouquet of white lillies with pink centers and a crescent of white ribbon loops.

The four bridesmaids were Miss Mary Ann Witte, Miss Mary Jean Giczella, cousin of the bride; Miss Pat Heisner, and Miss Mary Ann Ficker, sister of the groom. All wore the same style gowns as the maid of honor, cottillion blue silk moire, bow band hats, white kid gloves and pearl necklace and earrings. They carried lillies with ribbon matching their dresses.

The flower girl, Marlene Kaiser, sister of the bride, was escorted by her brother, Kenneth, who ser-

ved as junior usher. She wore a long cottillion blue silk taffeta gown, trimmed with large chiffon bow and long streamers down the front of the gown. A pearl tiara adorned her head. She carried a colonial bouquet of white carnations and pink garnets.

The ring bearer was the youngest brother of the bride, Ronald, who carried a heart shaped pillow covered with banding of Chantilly lace, on which were placed the rings.

The groom's attendants were John Fickdr Jr., best man; Dick Anderson, Paul Lipp, cousin of the bride; Joseph Ficker, brother of the groom, and Norbert O. Kaiser, brother of the bride. All wore coats, vests, striped trousers, striped ties, and white carnation boutonnieres.

The mother of the bride wore a light blue satin sheath dress, light blue hat with just a wisp of a veil, long white kid gloves and small pearl clutch purse. Her

shoes were of matching blue. An autumn haze mink stole and white orchid corsage completed her costume.

The groom's mother wore a mink silk faille sheath dress. Her purse and shoes matched the dress. A silk organza petal hat in coral adorned her head. She wore coral gloves, pearl necklace and earrings, and a white orchid with yellow lip.

The cocktail hour and reception for 280 guests was held at the Germania club, Chicago.

The bridal table which seated the entire bridal party as well as Bishop Hillinger and other priests who assisted at the Nuptial Mass, was decorated in white satin with pink and white carnations in the folds. A seven-tiered wedding cake was served to the guests, following the dinner.

After a two-week honeymoon in Ft. Lauderdale, Fla., the newlyweds are living in Chicago.

The bride is a graduate of Mundelein College. The groom is employed by the Federal Tool and Die Mold Co., Chicago.

BREMEN BEAT

BY EDWIN BRUELL

Bob Klomp and Dave Rutt will complete against Pat Smith and John Wyek, affirmative and negative respectively in one of a series of round robin debates at Bremen Community high school today, Feb. 25.

Other contestants were Scott Herrick and Rick Yonda, affirmative, versus Michelle Whitney and Bernie Anderson, negative, on Tuesday, Feb. 23.

Debaters on Feb. 18, were Greg Dell and Mark Kloc in the affirmative position opposing Beth Retslauf and Kathy Rieke in the negative.

Decisions will be announced later by Lestina Larsen, Academicians sponsor, assisted by Henry Arnold. Winners will engage in a trial debate against the sub-varsity Bremen team.

FRESHMEN ELECT

Augie Lofendo was elected president of the freshman class at Bremen community high school in a recent election. Other officers named by the freshman class were Alan Fleming, vice-president; Sue Bower, secretary; and Sharon Lovrich, treasurer.

Faculty sponsors of the freshman group are Delores Johnson, Clarence Heller, and Glenn Vann.

PRESENT SKETCH

Bremen High school placed fourth with a cutting from "The Glass Menagerie" at the recent speech meet of the Southwest Suburban Conference held at Oak Lawn Community High School.

Performers were Alice Wingfield; Arnie Blatt as Jim O'Connor; Sandy Radatz as Laura Wingfield; and Paul Frederick as Tom Wingfield.

Karen Lindquist coached the contestants in the contest, which is a form of rehearsal for the state district meet held at Thornton Fractional South.

Harvey Lodge

Hosts Moose

1st District

Governor Edward Scully announces that Harvey Moose Lodge 1203 will host the next regular meeting of the First District Illinois Moose Association with a breakfast at 9 a.m. Sunday morning March 6. All 20 lodges in Cook County compose the First District.

Plans will be completed on the mid-year conference of the Association to be held at the Conrad Hilton hotel, Chicago, March 25-26-27.

Moose notables to attend the pre-conference meeting are Gordon Main, regional director; James Rawlings, publicity director; and Otto Nulik, First District vice president.

TRAPS SILVER FOX — Alvin Kohl, who resides on a farm east of Mokena had trapped 17 red foxes this season and another or a dozen more of the same would not have occasioned any surprise but when he ran his traps last week and found a silver fox in one he was not only surprised, he was astonished. Silver fox just don't romp around the countryside like their red brethren do, according to hunters. Mr. Kohl figures the one he caught is an escapee from a farm where such animals are raised commercially or it is a fugitive from a fur store. (Marvin Smith Photo)

WILLIAM F. WHITESIDE
COOK COUNTY ASSOC.
FARM ADVISER

The Soil Conservation District Annual meeting was held last week. A very interesting and thought provoking speaker, Rev. William White of DeKalb, spoke on the topic: "Full Bins and Empty Stomachs". On a trip which took him into eleven countries in the Far East, Rev. White reported he found people near starvation. He compared this to the surplus production piled up in America.

During the business meeting, three directors were elected. Two of the directors, Simon DeBoer and Leonard Kloss, both of Chicago Heights, served previous terms on the board. Walter Lauffer, Tinley Park, is a newly elected director. Hold-over directors are: Earl Siemsen, Robert Breitbarth of Tinley Park. These directors, plus Allan May, District Soil Conservation Technician, are dedicated to the purpose of furthering education of soil and water conservation in Cook County.

In connection with 4-H Club Week activities, a copy of the book entitled: "The 4-H Story" was presented to the new library in Tinley Park. The presentation was made on behalf of the 4-H members, by Dorothy Stelter and Ronald Manzke, both of Tinley Park. Accepting on behalf of the library, were: Mrs. Olive E. Pillsbury and Mrs. Bernard Ericus, library board member. The book is a history of 4-H Club work, which I am sure will be of interest to the patrons of the Tinley Park Library.

I am happy to report that a 4-H Club is being organized in the Lemont area through the efforts of Mr. Orville Antrim of the Lemont Community Consolidated Grade School.

The 4-H Club program is dynamic and tries to keep in tune

with the times. This is evidenced by a new Science club organized in the Park Forest area, with Mr. Robert West as leader. It was my pleasure to meet with Mr. West, Mrs. Phyllis Harris, Park Forest Youth Adviser, and G. W. Stone, 4-H Specialist, University of Illinois College of Agriculture, to discuss this project in the past week. Mr. West reports he has his hands full with an interested and enthusiastic group of boys. The science program is a new and somewhat experimental venture for 4-H Club work. After the committee meeting, everyone was quite enthusiastic about the prospects of this type of project. It will be watched carefully during the coming year.

Serve Lenten Meatless Menus At Oak Forest

During Lent at Oak Forest hospital, 159th and Cicero, patients have their choice of entree, in deference to those who refrain from meat on fast days.

Fresh frozen white fish, halibut, perch, canned salmon and tuna, and cheese dishes such as rarebit or with macaroni are scheduled by Chief Dietitian Mary

Pickering.
Begun last year, primarily as a religious consideration, Oak Forest patients frequently select the meatless dinner just to indulge in choice. This is a prerogative of limited occasion in the treatment of 2400 patients, but a valuable morale builder, according to Carl K. Schmidt, Jr., Superintendent of the Cook County hospital devoted to chronic illnesses.

Mrs. Pickering also includes such patient favorites as scrambled eggs with ham bits, and the occasional mild chili, a bit more often during these cold winter days when dietary pampering is most appreciated.

An icecap twice the size of Texas covers 85 per cent of Greenland.

Archery Is Increasingly Popular As American Sport

Archery, and hunting with a bow, are sports increasingly popular in this country. Bows and arrows are still used by primitive tribes, such as the pigmies in Africa and the aborigines in South American jungles, who frequently tip their arrows with deadly poisons. The warlike Indians of the Great Plains used bows and arrows long after the introduction of firearms. Loading an old-fashioned musket took too much time and was difficult for a brave on a running horse. After repeating rifles appeared, they and cartridges for them were greatly prized but hard to get.

Like most Indians, the plains tribes made one-piece arrows from straight shoots of young trees or shrubs. Species such as green ash, black cherry, choke cherry, gray dogwood, bearberry, and willow grew in river bottoms, on the prairies, and in the foothills. The eastern woodland Indians could select from a greater variety including hickory, maple, ash, the cherries, the dogwoods, alder, and arrowwood viburnum. Birch arrows tend to warp and become inaccurate.

In general, the length of an arrow was governed by its purpose and the length of the bow. Those used by the Blackfoot, Sarsi, Dakota (Sioux) and Cheyenne averaged about 25 inches, although Sioux arrows for killing buffalo were shorter. Those made by the woodland Indians were longer because they hunted on foot and used longer bows.

A good arrow had a standard value similar to that of a dressed buffalo hide, a beaver pelt, or our dollar. Among the Crow Indians, for example, an average horse was worth 10 good arrows, and the purchase price for a wife was about 10 horses. To make an arrow required a day's work and ordinarily each brave made his own, especially his hunting arrows which were retrieved from dead game and used repeatedly. Some individuals were exception-

ally skillful and for a price, perhaps a feast, could be hired to make a bundle of war arrows — each decorated and bearing the owner's brand.

Woodland Indians commonly bound a bundle of shoots with thongs and hung them over the lodge fire for several weeks to season them. After being sanded they were straightened; usually by greasing and heating the crooked places and then holding each shoot in a straight line until it cooled. The plains Indians straightened and rounded a shoot by drawing it thru a hole drilled in an antler or horn, and by rubbing it between two grooved stones.

To control its flight and accuracy, an arrow was fletched with stiff tail feathers from eagles, hawks, owls or turkeys. Many tribes attached three feathers; others used only two, or even one. Sometimes, to give a spiraling flight to an arrow, the feathers were twisted a half turn around the butt of the shaft. Arrows used for shooting birds, small game, and fish had small "bird points" or none at all. Those for warfare and hunting big game had large sharp arrowheads —

fashioned from flint, obsidian, horn, antler, or even bone — attached to the tip with sinews. After the white men came, iron was commonly used.

Modern bows and arrows are far superior to any used by the Indians or by Robin Hood and his merry men. Many parks have archery ranges (some indoor) and teachers, sponsor archery clubs, and conduct tournaments for boys and girls, young men and women, and old folks. Boy Scouts are being taught to make their own bows and arrows, and how to use them. Most states, including Illinois, now have special seasons for hunting deer and other game with bows and special arrows. Archery has become an exciting pastime for young and old.

Jewelry Demonstration Is Feature At Woman's Club

MRS. FRANCES DOVE
Futon 8-5274

Mrs. Steve Sarovich, 15133 La
Cross, Conservation chairman of
the Forest Ridge Woman's club
will have charge of the meeting
held on Wednesday, March 9 at
the Oak Forest Village fire hall
at 15601 Cicero. Her guest speak-
er will be a representative of the
Cook County Forest Preserves
and will talk on "The Forest
Preserve District and its func-
tions".

There will also be a jewelry
demonstration on how to make
jewelry and special music is being
arranged by Mrs. Stephen Rourke.
Hostesses who are representing
the club's annual Swedish night
will be Mesdames: Martha C.
Ramsey, Henry Rydall, Albert
Envall, William Barr, Fritz
Foodge, and James Seich.

Baptism services were held
Sunday, Feb. 21 at the First Bap-
tist church in Harvey, for the

following members of the Oak
Forest Baptist church: Eileen
Stryzek, Mrs. Lulu Campbell,
Lollie and Fernando Galeas, Paul
Summers, James King and Gerry
Mendez.

Mrs. Reno Day, 175th and Bren-
nan Highway, entertained Mr. and
Mrs. Herbert Elliott, Mr. and Mrs.
J. J. McGhee and Mr. and Mrs.
T. H. Reimer Saturday evening.
Cards were played and later
refreshments were served.

Mrs. Richard Hutchinson, 15230
LaPorte Ave., who accompanied
her mother, Mrs. Loretta McKay
of Temple City, California recent-
ly returned from a delightful trip
to Hawaii.

Among the points of interest
were the sugar mills, pineapple
fields, Pearl Harbor, luncheon at
the Rees Hotel and a radio broad-
cast. They enjoyed a native H-
awaiian feast of roast pig, at Luau.
While there Mrs. McKay celebrated
her birthday and received a
lovely orchid lei.

They flew to the Island of Kauai
and stayed at the Cocoa Palms
and visited the hanging ferns cave;
were serenaded and met with all
the countries formalities. They
visited the monkey podwood factory
and saw the workers making bowls,
trays, etc. Mrs. Hutchinson said
the people were very friendly and
the flowers beautiful. She also
learned to do the hula.

Mr. and Mrs. Jack Angel and
Mr. and Mrs. T. H. Reimer Sr.
and their daughter Priscilla at-
tended a masonic worship service,
Sunday Feb. 28, which was spon-
sored by the master masons of

These 4 Exclusive Tests Make Sure:

1. **NON-CORROSIVE.** Skelgas must pass Lead Acetate Filter test which detects presence of Sulphur.
2. **NO FREEZE UPS.** There's no moisture in Skelgas because Cobalt-Bromide tests detects "wet" gas, which is rejected.
3. **CONSTANT PRESSURE.** Assured by vapor pressure test which passes only uniform fuel.
4. **COMPLETE COMBUSTION.** Mercury freeze test determines presence of butane that would fail to vaporize at low temperatures.

Blue and Gold Banquet at the
Forest Ridge School, Friday, Feb.
20. Len Wilksten, scoutleader,
Riverdale, spoke and gave statis-
tics on scouting in the past fifty
years. Five boys were presented
with bobcat pins. Davis Hasse
received a transfer badge from
cub to wolf.

Monty Hall Jr.'s square dancers
entertained and Den 2 performed
with their rollicking robots. Com-
munity singing was enjoyed by the
130 parents and friends attending
the banquet.

METHODIST CHURCH NEWS
Rev. Paul Sanders of the Com-
munity Center Foundation of Palos
Park was the guest speaker Sunday
morning and also baptized Joseph
Charles, infant son of Rev. and
Mrs. William Henzlick pastor of
the church.

The WSCS will meet at 12 noon,
Wednesday, March 9 in the church.
Mrs. B. J. Dahl and Mrs. Reno
Day will be hostesses. Final
arrangements will be held for
the second annual spring luncheon
which will be held at the church
Wednesday, March 23 at 12:30 p.m.

Plans are being made for a
series of special Wednesday eve-
ning services in lent in which
we will learn about Methodist mis-
sions in this country and over-
seas. There will be special speak-
ers, visual aids and a family
fellowship. Chairman of the com-
mission on Missions is Mrs.
Roberta Barnard.

World day of prayer will be
observed in the Redeemer Luth-

ran Church, Friday, March 4 at
12:30 p.m. Everyone is cordially
invited. Services will be held
in the church each Wednesday

State Legislator Makes Surprise Visit To School

BY DELORE S ANDERSON
New Lenox 3651

Warren L. Wood, representative in the state legislature, made a surprise visit to Haven school on Wednesday Feb. 24.

His visit came about as the result of a 7th grade English assignment. While studying the writing of business letters, the two 7th grade groups were assigned to write government officials. One of the many to receive these letters was Representative Wood.

The faculty and students were delighted by the legislator taking the time to answer their letters in person.

In the combined 7th and 8th grade assembly, the legislator answered pupils' questions mentioned in their let-

ters and commented on the importance of all taking interest in their government.

The state legislator also contributed material to the school and students and the 8th grade students benefited from information regarding special and general laws in accord with their Illinois constitution studies.

The teacher, Mr. Fahrner, commented that the visit was greatly appreciated by both the students and faculty, who all were impressed that a government representative by making such a visit, proved that some officials are interested in the individual and not solely in their political standing.

representative of the Illinois Bell Telephone Company, highlighted the February meeting of the Second Child Study club, Mrs. Charles Eller was hostess last Thursday evening with Mrs. Carl Meitsner assisting.

Mrs. Dale Drake called the meeting to order with 16 members present. Routine reports were made and a motion was carried to send a donation to the Will County Chapter of the American Red Cross.

Mrs. Gene Krohn and Mrs. Eller were appointed to select the place for the club's annual May dinner.

Mrs. Drake donated bakery goods which were awarded to Mrs. Harold Youngren. An attractive floral arrangement was used to ornament the table, from which dessert-coffee was served.

A large group attended the 19th anniversary meeting of the Trinity Lutheran Woman's League held Tuesday Feb. 23, in the church dining room. Mrs. Marie McDonald was the guest speaker. Hostesses were Mesdames Cecelia Ruder, Lois Minger, Zerilda Olsen, Mildred Schultz, and Margaret Knapp.

The League is sponsoring a bake sale Saturday March 5, at the Reim Hardware store, starting at 10 o'clock. Chairman is Mrs. Zerilda Olsen and other members of the committee are Mrs. Laura Wulfert and Mrs. Irma Schultz.

Eleanor Louise Hammond, daughter of Mr. and Mrs. James A. Hammond, 160 South Cooper Street, New Lenox, Illinois, has been placed on the Dean's List at Illinois Wesleyan University, it has just been announced by John S. Smith, Vice President and Dean of the University.

This recognition is given to those students whose grades include nothing below B and at least one grade of A. This list is based on the grades from the first semester of the school year 1959-60, 166 students were honored by being placed on the Dean's List at this time.

Word has been received here of the birth of an 8 lb. 8 oz. son, David Foster, Thursday Feb. 18, to Mr. and Mrs. Leonard Domzalski, 7335 So. Blackstone, Chicago. Mrs. Domzalski is the former Gloria McCoy, daughter of Mr. and Mrs. Ralph McCoy, Pine St.

Explorer Post 8 will sponsor a scrap paper drive Saturday March 12. Residents are asked to have their bundles in front of their homes, or call Robert Buckler, HU 5-8827. Proceeds from this drive will be used for Post equipment.

Mr. and Mrs. Harry Wenger Jr. and family were honored Saturday night at a housewarming party in their new home on Marley road. Mr. and Mrs. Charles Wheeler and Mr. and Mrs. Howard Lane were hosts.

Card games were enjoyed, refreshments served, and a purse of money was presented to the Wengers as a gift. Guests were present from Aurora, Joliet, and New Lenox. Mrs. Wenger is the former Judy Lane.

The Barbara Lane Improvement Corporation held their monthly meeting Saturday night Feb. 20, at the home of Mr. and Mrs. Harry Fox. The business meeting was followed by a social gathering. Luncheon was served by the host and hostess.

Members of the Second Child Study club presented the Library with a gift of money to purchase books. Following is the list of books purchased: The Cat in the Hat; Cat in the Hat Comes Back; A Fly Went By; A Big Ball of String; Sam and the Fire-fly; The Big Jump and Other Stories.

The Parents club of St. Jude's School, will have as their guest speaker at the March 3rd meeting Mr. William Schultz, a radiation engineer with the Atomic Energy Commission. He will talk on "Atomic Energy and What It Means To You". Mr. Schultz and his wife have made their home in New Lenox since last fall.

The monthly fish fry sponsored by the Club will be held Friday night March 4. It will feature perch, (all you can eat) with salad, potato chips, french bread and coffee for a dollar.

Carryouts and homemade desserts are added features. All proceeds go toward the purchase of a new school bus.

Mrs. James Nolan, Mrs. Ray Watson, Mrs. Martin Seeley, and Mrs. Harry Clemens will supervise the fish fries for March and April.

ST. JUDE NEWS

There will be plenty of fun, food and frolic for everyone of all ages at the St. Patrick's social to be held in St. Jude's hall, Sunday, March 20. The Hi-Teens of the parish are sponsoring the affair from 7:30 to 11 p.m., to which the public is invited.

A variety of dances, skits, singing and other St. Patrick Day fun will be enjoyed and some lucky person will take home a prize.

The following committees have

A retreat at the Cenacle in Warrenville from March 11-13 will be attended by some members of the group as well as one at St. Mary's Retreat House in Lemont on March 4-6. Mrs. Ted Bogdan gave an interesting review of the many library books which are available for the parishioners in the church library.

Mrs. Clarence Greenman entertained the group with an interpretative reading entitled "Eyes of Love" by Ruth Humphrys.

Hostesses for the meeting were:

Mrs. James Battle, Mrs. John Cottone, Mrs. Wm. Fetzner, Mrs. Frank Mlakar and Mrs. Emanuel Wondrasek. Prizes were won by Maxine Cottone, Cele Hasibar, Lil-

Move To Strike Bridgeview's 24 Annexations

(CNS)—The state's attorney's office has moved to strike Bridgeview's lengthy defense of 24 territorial annexations by the village in 1956 and 1957.

A county suit challenging the legality of the annexations is pending in Superior court.

In a 38-page reply to Bridgeview's answer, the county asserted the village has alleged no facts showing county officials "acquiesced" in the annexations.

Instead of "silent approval," there were demands by the county upon the village to halt the annexation maneuvers. As early as May, 1958, the state's attorney's office advised the village there was a serious question as to the legality of the annexations, the reply states.

The suit was filed on November 18, 1959, and also asks the court fine the village \$5,000 for refusing to heed repeated requests by State's Attorney Adamowski to repeal the annexation ordinances.

Goodrich Topnotchers Are Leading DuPage Club

The Goodrich Topnotchers 4-H Club meet the first and third Mondays of each month at 7:30 p.m. in Goodrich School at Hobson Road and Rt. 53 in Lisle Township, DuPage County.

The club was formed seven years ago with Charles Vial as its first leader. Don C. Miller was leader until this year when his assistant, David B. Ayres, Jr. took over.

Members of the club come largely from Goodrich School District 68 just south of Lisle and between Naperville and Downers Grove. This year the club has prepared a window display for 4-H week and sponsored a square dance to raise funds. Most of the members par-

ticipated as exhibitors in the DuPage County Fair and 4-H Show. Outstanding members of the club in 1959 were these junior leaders: Ann Kobley, home garden and dairy; David Meyer, dairy and swine; Mary Ann Meyer, home garden; Judy Miller, dairy; and members: Kathleen Culligan, home garden and sheep; Carol Kobley, home garden and sheep; Susan Meyer, home garden and dairy and William Meyer, dairy.

Other members of this hard-working club are: Jane and Bruce Ayres, Dennis and Eileen Culligan, Carl Finkbeiner, Hans and Judy Miller, George Beck, Jim Long, Ted and Terry Mieling, Bonnie and Douglas Roberts.

The neighborhood in which the members live has been undergoing a transition during the life of the club. It has changed from an area of many large farms to one of suburban estates, many of them only one-half acre, with a few large farms. This change is emphasized by the projects featured: home ground improvement, home gardening, small engine maintenance, rabbits, and similar projects compatible with suburban living.

The Goodrich Topnotchers have two basic objectives for 1960: more members and increased participation of the members in club activities, projects and county fair.

Happy Handy Helpers Work In Homewood

The Homewood Happy Handy Helpers 4-H Club was organized at the home of Mrs. Ralph Johnson, 18545 Dixie Hwy., in May 1954. The members of the club have all been from Homewood. Beverly Anderson has gone to the State Fair in clothing competition once and has had her dress sent there on construction. One year the dining table covers of Debbie Chase were sent to the State Fair, Kay Johnson had her skirt sent to the State Fair and one dress sent on construction. Marilyn Lorenz went with her dress to the State Fair one year. A picture that Shirley Montgomery framed was once sent to the State Fair.

Last year the club met on the first Monday of every month. During the year there was a tour at the Singer Sewing Machine Co. Late in the spring the club held a picnic at Merchant Park in Homewood and the club had a window display for National 4-H Week. At County Achievement, Kay Johnson helped judge demonstrations and Beverly Anderson helped judge clothing.

The president of the club is Debbie Chase, secretary-treasurer is Marilyn Anderson, vice president, Marilyn Helting, and junior leaders are Kay Johnson and Beverly Anderson. The leaders of the club are Mrs. Ralph Johnson and Mrs. Roland Anderson.

Meetings are held in the homes of the members this year. The club is planning a clothing tour for April 14 at the Svaneczek Textile Mill in Homewood. The Club is planning a food tour for 1960.

Early consignments and intense interest shown by breeders indicate that the 12th annual 4-H and FFA Dairy Calf Sale will be one of the best of the series. About 85 top-quality calves will be sold at 11:00 a.m. Saturday, February 27, at the College of Agriculture's stock pavilion in Urbana.

TO 4-H CLUB MEMBERS:

Your theme for 1960, "Learn - Live - Serve through 4-H," reflects the high purpose of your organization and the broad concern of its leaders.

This changing world places new demands upon the spirit and abilities of our people. Therefore, the opportunities offered to 4-H Club members to grow in citizenship and in practical skills are especially valuable to them and to the Nation.

I hope the coming year will be rewarding both in your local 4-H programs and in your personal efforts to become active, informed, and effective citizens.

HER FAVORITE -- The proud winner of the grand championship in the rabbit division at the South Cook 4-H Fair is LaVerne Siemsen, member of the Tinley Hustlers 4-H Club, near Tinley Park.

Our Cover Couple ... Program For

George and Faye Anderson, of Rt. 1, Lockport, two of the thousands of 4-H boys and girls in this area, graciously provide us with our Cover photo for this special annual issue dedicated to 4-H. Faye has been an active 4-H member for 4 years and

George has been in 4-H work for five years. Both are members of the New Lenox Bronco Busters and are accomplished riders. They are the children of Mr. and Mrs. Bruce Anderson, and reside between New Lenox and Lockport in Homer Township.

Older 4-H Members Set

The South Cook 4-H Federation was organized about 12 years ago to provide an opportunity for older members from each 4-H Club to meet together. Through this organization, older members can exchange ideas, obtain leadership and recreation training and enjoy fellowship with others their own age.

Present officers and committee chairmen of the 4-H Federation are: James Bussema, president; Joan Uthe, vice-president; Jean Siemsen, secretary; Anita Wetzel, treasurer; Joan Uthe, program; Julia Dyrz, recreation; Linda Bussema, refreshments; Walter Reeves, publicity; Larry Heusmann, membership and hospitality.

The Federation meets monthly on the second Tuesday, at the Tinley Park Farm Bureau. A typical session starts with a get-acquainted game, business meeting and educational feature, followed by recreation and refreshments.

The Federation also takes part in the county-wide 4-H programs, such as rallies, achievement days, share-the-fun, the 4-H Fair, and officers' training schools.

South Cook 4-H Rally Is Schedule For Tuesday

About 900 young people in Southern Cook County will join in observing National 4-H Club Week from March 5-12. These local boys and girls are among the 21 1/4 million 4-H'ers of America. Illinois has a 4-H enrollment of about 70,000; Cook County has over 1600 members.

Among the special activities planned for 4-H Week are: 4-H Rally at Carl Sandburg High School, Tuesday March 8, 7:30 p.m.; Window Display contest throughout the area and special observance by local clubs in their respective communities.

In observance of 4-H Club Week, the 4-H clubs of the Tinley Park area presented to the Tinley Park Library, two copies of a history of 4-H Club Work, entitled "The 4-H Story", written by Franklin Reck.

Miss Dorothy Stelter Helping Hands, 4-H Club, and Ronald Manzke Tinley Hustlers 4-H Club, made the presentation to Miss Olive E. Pillsbury Tinley Park librarian, and Mrs. Bernard Erichs, Tinley Pk. Library Board

member.

The main purposes of 4-H Club Week according to William F. Whiteside, Cook County Associate Farm Adviser, is to acquaint more young people with opportunities available to them through joining existing or starting new 4-H Clubs, build enthusiasm and renewed dedication among present 4-H'ers, initiating community service activities, and to inform the public about 4-H aims and methods.

An Extra Special "Thank You!"

This special issue dedicated to the National 4-H movement would not have been possible without the help, assistance and cooperation of: C. F. Mees, Cook County Farm Advisor and Bill Whiteside, assistant Cook County Farm Advisor; Mrs. Clara Dehl Upham, Cook County

Home Advisor; A. A. Wicklein, Will County Farm Advisor; Mrs. Eunice Shinn, Will County, Home Advisor; W. E. Schmidt DuPage County Farm Advisor and Mrs. Elsie Butler DuPage Home Advisor. Marvin Smith photographed our cover subjects.

U. Of I. Ag. Extension Work In Will County Goes All Year

BY A. A. WICKLEIN, WILL COUNTY FARM ADVISER

Most everyone, city people and rural folks alike, are touched by the Will County Extension program. It might be a boy in 4-H club; a girl at Camp Shaw-waw-nas-see last summer; maybe the soil was tested on the field across the road; there was the Barn Meeting, Dad went to it a few Thursdays back. The planners of this multifold educational program are a group of rural and urban folks called the "Will County Extension Council." They generously give of their time and talents to make the best better. For 1960: chairman - Robert Loitz, Peotone; vice chairman - George Archibald, New Lenox; secretary - Lawrence Meyer, Manhattan, and Hal Holz, Wilmington; Earl Kenniston, Manhattan; George Beutel, Joliet; Morelle See, Plainfield; Fred Petges, Lockport; Julius Sewing, Elwood; Ray Wassman, Beecher; Norm Krapf, Manhattan; Fred Francis, Wilmington; and George Brisbin, Lockport, compose the Council.

This group decides on the program which is then executed by the Farm Adviser, A. A. Wicklein with his assistant, Joe Jopek and the Extension committees. Some of the highlights of last years program are briefly told here.

LIVESTOCK SESSIONS

In '59 the beef producer who puts a tender steak on the U.S. table and hopes to make money trying, found the visits by the Producer's Livestock Marketing Association of benefit along with their recommendations and advice. An outlook meeting in the fall, and a livestock tour in the spring brings an expert in to help with individual problems and give a look ahead.

On the lighter side, a Western Livestock Tour last August in Nebraska, Wyoming and Colorado gave a group of Will County cattle feeders a sampling of western hospitality and a look at their operation in the cattle business.

That big brown cow and that black and white cow is trying to improve herself and fier offspring. Using the Dairy Herd Improvement Association, Owner-Sampler, and Weigh-A-Day-A-Month the cow that jumped over the moon is leaving her mark along the milky way. The local "Barn Meetings" held the past few years are popular, well attended and helpful to the dairy men.

Will County Farm Adviser, A. A. Wicklein reports that he served as Chairman of the 4-H Building Committee of Camp Shaw-waw-nas-see in 1959. Last January saw the start of construction on a swimming pool at camp -- in June its completion was the fulfillment of a 12 year dream for a pool for the youngsters who camp there.

The Farm Adviser also served as Chairman of the rural section of the Joliet Community Safety Council, served on the Kiwanis Agricultural committee and as chairman of the Extension program committee of the Illinois Farm Advisers of Illinois on an evaluation committee of the University of Illinois Extension Service program.

FOR YOUNG PEOPLE

Activities for the young people were varied and interesting. The second Annual Farm Tour for Joliet 5th graders was held in May. Thanks to the Joliet Kiwanis Club Will-Du Page Service Company, and Will County Farm Bureau who picked up the tab for the bus fare. Also, thanks to Joe Eich of Joliet who allowed the youngsters to use his dairy farm as a classroom.

The Boy Scout theme last spring was "Down on the Farm", so a number of troops were taken on a farm tour at Clarence Boldt's at Lemont.

4-H youngsters chose Dairy as the most popular project. Crops, vegetables, beef, and swine were the next most popular. Of the 354 members enrolled in agri-

cultural activity, 88% of them completed the achievement requirements. The 37 Will County youngsters attending 4-H Camp, were among the first to enjoy the new pool.

Will County 4-H Key Club winners organized into a County group. Will County has more Key Club winners than any other county in Illinois and in 1959 was the only county to have two representatives at National 4-H Club Congress in Chicago. Gene Klett was the district tractor winner for the midwest and Donna Rae Meyer of Manhattan was the state winner in health. Dale Neisinger of Barbers Corner 4-H at Lemont was the northern Illinois winner in the Jr. Chicken of Tomorrow Contest, and was also second in the entire state of Illinois.

Soil is man's priceless heritage! Sharply aware of the need of sound soil Management is evidenced by the testing of 3,000 samples of soil by technician, Lureno Seitsinger. Tests were made for limestone, phosphate, and potash. Ninety-two per cent of the samples needed two ton or less of limestone per acre; 36% needed 1,000 pounds of raw rock phosphate; and 37% of the samples had enough phosphate. Seventy-eight per cent of the samples needed no potash. Again, it was proved to test and not guess.

EXPERIMENT FIELDS

Three soil experiment fields are in operation in Will County. The Joliet field, here for the last 40 years, demonstrates sound soil fertility practices. The Elwood station demonstrates proper water management, use of sludge, foreign phosphate, and some crop varieties. A new field is coming, 160 acres located near Elwood and will be an area experiment field.

In 1959, joining forces with the Soil Conservation District, the ASC, the county committee, and the Extension Council studied soil and water problems to resolve a unified effort to solve them.

With new homes being constructed at an all time record a five year demonstration plot on turf is now established. This is on the Charlie Benck farm at Manhattan. New home owners are watching with interest the 7 varieties of lawn mixtures on display in this demonstration.

A LOOK AHEAD

A quick look ahead promises interesting rural and urban developments in the next decade. A long time desire of 4-H'ers has been a permanent showgrounds in the County. In 1958, the Fred. A. Francis 4-H Field on Francis Road at New Lenox was donated

to Will County youth. This past year saw a successful drive for funds for the development of grounds in the rural area. Plans are now ready to push the drive into urban areas for completion. Will urban areas for completion. The Will County Junior Fair Board is hoping to hold the 1960 4-H Show at the new location. Building will start soon. Many hands and many dollars are still needed.

Something to watch for next september will be the Prairie Farmer Farm Progress Show. This is to be held on the Donald Baltz farm in Troy Township. This is a rural show expected to draw 250,000 people during the three days it is in operation. We'll see you there.

Leaders' Workshop Emphasizes

4-H Counseling

The Leisurecraft and Counseling Camp Workshop is to be held May 9-13 at 4-H Memorial Camp, Monticello, Illinois. This year's conference will mark the 25th anniversary of the organization, and a special observance program is being planned, says Mabel Holloway of Lockport, Camper for 2 years. Emphasis throughout the week will be on counseling.

H. D. Edgren, professor of recreation leadership, Purdue University, will direct the sessions. Plans call for the sharing of philosophies and ideas and the study of techniques of counseling in the following areas: Understanding individuals; their needs and interests; Counseling through the program; Individual counseling techniques; Identifying problems in counseling and Problems growing out of poor administration.

Various methods, lecture discussion and role playing, will be used in studying and analyzing situations. Leaders with camp, summer program or vacation church school responsibilities will find the experience very rewarding, in the opinion of Mrs. Betty Shinn, Will County Home Advisor.

The program will also include the sharing of game, dancing and dramatic skills, crafts, social re-

These cute 4-H girls all went to the 1959 Illinois State Fair where they took part in the Dress Review competition. From left they are, Beverly Hauert, Jackson Live Wires; Mary Lou Werner and Beverly Riegel, Peotone Cleverettes; June Dotson, Wesley Busy Bees; Sharon Fehland, Green Garden Snip 'n Snacks; Janet Chisholm, Crete Busy Beavers; Ruth Reinford, Green Garden Snip 'n Snacks; Lynn Spencer, Lockport Loyal 4-H'ers; Diane Dorsey, Florence Symerettes and Linda Lewis, Peotone Cleverettes.

IMPROVED COMPETITION — These young ladies were chosen as alternate models at the County 4-H Show in August, 1959. Obviously the winners had to go some to beat these girls and some of these alternates actually did get to go to the Illinois State Fair. The girls are: from left — Joy Schroeder, Peotone Cleverettes; Barbara Scheer, Green Garden Snip 'n Snack; Dolores Krabbe, Monee Merry Maids; Darlene Watkins, Manhattan Chat 'n Chew; Jean Haley, Troy Jolly Girls; Jane Schroeder, Peotone Cleverettes; Marva Piepenbrink, Crete Busy Beavers; Marsha Rinkema, Joliet Smile 'n Style; and Susan Kinney, Lockport Country Charms.

Busy Homer Fireflies Began In '58

The 4-H Club known as the "Homer Fireflies" had its origin in the Homer Township area, rural community, years ago. Its predecessor was known as "Homer Husky Hustler." After years of success the club was reorganized in the fall of 1958 to what is now known as the "Homer Fireflies." Under its new leader at that time, Rev. Roy Hanson, the "Homer Fireflies" fulfilled a need in the community for rural boys and girls to demonstrate their interest in farming, homemaking and community activities.

In the summer of 1959 the club members took part in the Will County Agriculture Show where its members exhibited and demonstrated their projects. Although no Grand Championships were won, all members received Blue Rib-

bons for their projects. Projects shown were: poultry, garden, swine, egg production, rabbits and turkeys. David Bier won County Outstanding member for his activities and capabilities.

The year of 1960 will see the continued growth of the Homer Fireflies with the club participating in many 4-H activities, health, camping, judging, demonstrations, music, recreations, safety and public speaking.

The present officers of the Homer Fireflies are: David Bier, president; Tom Zander, Jr., vice president; Ron Baxa, secretary and treasurer; Charles Baxa, scrapbook; Mark Zander, reporter and George Brown, photographer.

Adult leaders are Rev. J. Elvig of the Homer Congregational Church and Thomas E. Zander Sr. of 143rd St.

The Homer Fireflies meet in the basement of the Homer Congregational Church on the first Thursday of each month. As this club is located in a growing community it will grow also. Any boy or girl who will be ten years of age by June 1, 1960 is welcome to join.

Will County 4-H Plans New Project

New Will County 4-H project offered in 1960 will be the Dog Project. The project will consist of care, management, and obedience of the family dog. Dogs in the project do not have to be registered purebreds. At the 1960 4-H Show dogs will not be judged on their pedigree but on their condition and obedience to their 4-H master.

This project is offered to all 4-H'ers in Will County. Mainly it is aimed to fulfill the needs of youngsters who do not have the room and facilities for major 4-H projects such as crops and livestock.

Several youngsters, scattered throughout Will County, have enrolled in the project already. The Dog Club will work on a county basis with the 4-H dog members getting together for county training clinics.

Rich-Bremen Has Busy 17 Yr. History

The Rich - Bremen 4-H Club was founded in 1942 with 10 members. Charles Glover was assistant Farm Advisor at that time. Meetings were held at the Cooper's Grove School at 183rd. St. and Cicero Ave.

Herbert Kohl is now the leader and Elmer Hinke is Assistant leader. The Club covers this area: Sauk Trail on the south, Harlem Ave. on the west; Crawford Ave. on the east and 167th St. on the north. Seventy-five members have belonged to the club during the 17 years it has operated.

Chief accomplishments through the years include:

Ronald Kollman attended the 4-H Club Congress in 1956, the third member from Cook County to do so.

Robert Kohl attended the first forestry camp ever held in the state at West Frankfort in 1952.

Ronald Kollman, Edwin Niemeier and Robert Kohl attended leadership camp at Monticello.

Lawrence Kampe and Leslie Kohl attended conservation camp at Monticello.

The outstanding members in 1959 were Edwin Gierke, poultry; Richard Bohlman, garden; Allen Fiegel, dairy; William Stelter, rabbits; Norman Siekman, garden; Neil Twietmeyer, dairy.

Events in which they also took part include the 4-H Tour, 4-H fair and 4-H rally.

Officers for the coming year are: Robert Sederot, president; Robert Wille, vice president; Neil Twietmeyer, secretary - treasurer; Norman Seikman, and Richard Bohlman reporters; and William Stelter, recreation chairman.

Events scheduled for the coming year include: 4-H Rally at Sandburg High School March 8; tour of the Central Soya elevator April 15; Share the fun program May 10 and 4-H Fair in August.

The Club meets every 4th Friday of the month at Farm Bureau Hall. Present leaders are: Hubert Kohl, 17 years; Melvin Hoser, 10 years; Ray Meyer, 2 years.

Teen Hi-Lites Club For High School Girls

The Teen Hi-Lites 4-H Club was born in the brain of a few Tinley Park young ladies, who as 4-H members, felt they could work better if they were in a club composed of High School girls.

At the present there are five members, Darlene Howies, secretary; Barbara McCutchen, treasurer; Maureen Phillips, Veronica Rous and Susan Schullien, president. Meetings are held on the third Monday of each month at 7:30 in the girl's homes.

The girls are working on advanced cooking and clothing projects, also out-door cookery. They recently held a swim party at Bremen High and are eagerly planning another one.

The leader of the Teen Hi-Lites is Mrs. N. R. Schullien 17655 Highland Ave.

Sandburg 4-H Club For High School Boys

The Sandburg 4-H Club was established in 1957 at Carl Sandburg High School, Orland Park. The club has members from all the area covered by the high school district, and they participate in a wide number of events.

Among their 1959 activities were these: they entered a float in the parade at the school Homecoming festivities; attended the International Livestock Show; prepared a 4-H Window Display to commemorate National 4-H Week and decorated the Sandburg School auditorium for the South Cook County 4-H rally in the spring.

They also put on a tractor rodeo at the high school, made a trip to the State Fair at Springfield, took part in the South Cook County 4-H Fair, attended the S. C. C. 4-H Rally last fall and attended the leaders recognition banquet. In addition, the club sponsored Christmas and New Years observances, hayrides and a number of other parties.

Walter Reeves and Russel Bettenhausen, Jr. were two of the most outstanding members last year and both are Jr. leaders and officers of the club. Russel is president and Walter, secretary. Bill Brannan, Jr. is vice president and Dwight Johnson Jr. is treasurer. Leaders are Charles Moore, and Albert Reeves.

The club meets at Carl Sandburg High School, room 108.

For 1960 they plan to decorate the school auditorium for the S. C. C. 4-H Spring Rally, adopt a club constitution, serve in the concession stand at school games and try and repeat or improve their accomplishments of 1959.

Sauk Trail Stir And Stitch One Year Old

The Sauk Trail Stir and Stitch was organized in 1958 by Mrs. Carl A. Johnson of Richton Park, who had been instrumental in the organization of the Jolly 4-H Club and the Flying Needles 4-H Club.

There are 24 girls in the club this year with 41 projects and they have divided into two groups with a set of officers each. One group meets the 1st Saturday of the month and the other the second. For activities the groups meet jointly.

Presidents are Jean McWhorter and Georgia George, vice presidents are Linda Martin and Sue Bluehosh, secretaries are Patricia O'Hanlon and Linda Conant. Phoning is handled by Janice Garber and Catherine Zamsow. Linda Johnson handles hospitality and

THE WINNER! — Ronald Kollman, Harvey, was very happy at being named recipient of a college scholarship through the National 4-H Dairy program. The outstanding work done by Ronnie in his 4-H Dairy project, as well as community and service activities, earned him the scholarship. Ronnie is now attending the University of Illinois, College of Agriculture, and will graduate at the end of the summer term.

Orland Boys Club One Of 1st In County

The Orland Boys 4-H Club was organized in 1930 by M. E. Tascher, assistant farm adviser. It was one of the first 4-H clubs in Cook County. Charles Erickson was the first leader. Also, leaders of the club were William Bernard, Albert Lorenz, Norman Bernard and Edward Mrosek.

The present leaders are Norman Strassenburg and Ray Knieriem. The club has 24 members from the southwest part of Orland Township.

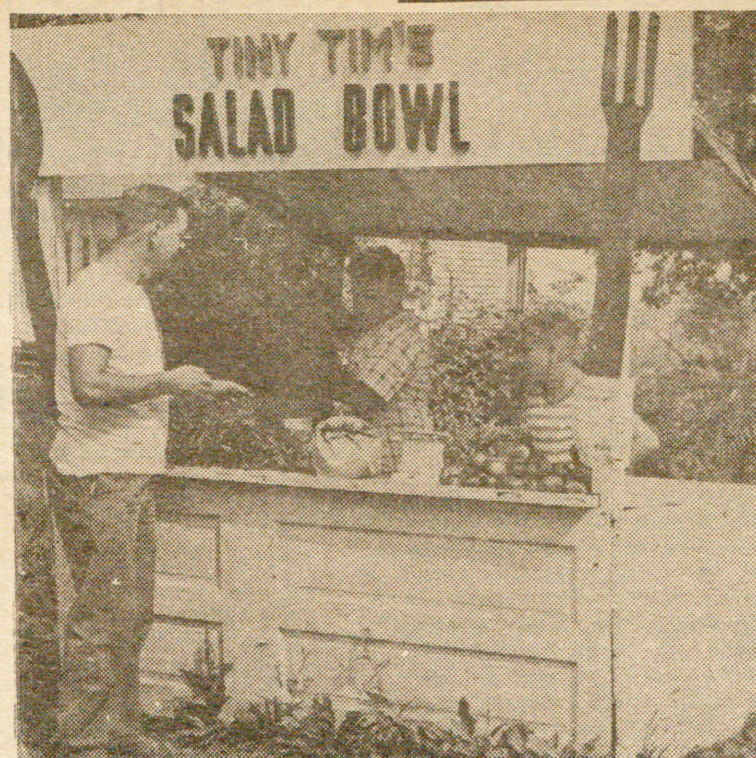

Robert Stellwagen, Arthur Mave, and Leslie Yunker were state outstanding members this year. There were also six county project honor members. Several top awards were won by the boys at the South Cook Fair.

Keeping Fit Day, 4-H Rally, 4-H Camp and Leadership Camp were some of the activities in which the boys participated. The club also took a project tour and spent a day at the State Fair.

The present officers are, Roy Bettenhausen, president; Duane Erickson, vice president; Marshall Aggen, secretary; Rodney Knieriem, recreation chairman and Melvin Yunker, club reporter.

Darrell Erickson is the reigning King of South Cook County and there have been two other kings from the Orland Boys Club.

The club plans to carry on with as many 4-H activities as possible and to achieve higher goals with their projects in the coming year.

FREE ENTERPRIZE — Marketing of farm products is a much discussed topic these days. Here is how an enterprising 4-H member Tim Mergenthaler, Glenwood, sells produce from his 4-H garden.

Bremen 4-H Beacons Have 20 Members Cloverettes Of Orland Plan For '60

The Bremen Beacons 4-H Club first met Wednesday, April 24, 1957 at the home of Mr. and Mrs. Robert Nelson. There were 9 members present. Mrs. Leroy Bauman, leader of the Helping Hands 4-H Club, attended and helped organize the club.

Last year there were 19 members and the club was 100% Achievement. Four girls, Diane Campbell, Cheryl Matson, Darlyeen Phillippo and Jean Wille, were County Outstanding for the year. During the year the club held ten business meetings, five craft meetings, five parties, toured the Service Bakery and held a swimming party at the Bremen Community High School pool, with 93 people attending.

This year there are 20 members, all living in Tinley Park. The club is off to a good start having held six business meetings three craft meetings and three parties. Our present officers and committees are: Darlyeen Phillippo-president; Diane Campbell-vice president; Cheryl Matson-secretary; Denise Burklow-treasurer; Diane Griebel-recreation; Linda Cavanaugh-reporter; Barbara Best-music; Edith Davis and Deirdre Rooney-telephone committee; Judith Feiwell-talks chairman; Jean Wille-demonstrations chairman; Kathleen Phillippo-cleanup chairman; Jeanette Nelson-refreshments; Margaret Ellement and Janice Gow-handicraft; Louise Davis and Joanne Patton-window display; and Barbara Bonner and Margaret Bell-special project. Elaine Feiwell, who is in her fourth year of club work, is our new junior leader. Meetings are held the first and third Saturday of each month in the basement club room at the Nelsons'.

With the help of Mrs. Gow and Mrs. Feiwell, Mrs. Nelson took the club on a tour of the Coca Cola bottling company.

Plans for the remainder of the year include a swimming party, a tour, participation in the Share

In 1943 a charter was issued to Pat Dowling of Tinley Park for a 4-H Club to be called the Orland Cloverettes. After a few years, the club was dropped for lack of leaders.

In 1949, the club was reinstated with Mary Agnes Anderson as leader. She had several assistants who have helped guide the club.

Mrs. Anderson left the club two years ago and Mrs. Russel Bettenhausen is now its leader.

The Orland Cloverettes 4-H Club covers the area of Orland Township and any young girls in this area are welcome to join.

The club had two outstanding members this past year, Patricia Jaeger and Claudette Bettenhausen.

Last year's major events included a tour of a department store; a wash-your-duds party; local achievement night; county achievement day and leader and junior leaders recognition banquet.

Leaders and present officers are Mrs. Russel Bettenhausen, leader; Claudette Bettenhausen, junior leader; Patricia Jaeger, president; Marietta Kluge, secretary and Ella Loebe, recreation chairman.

The meetings are held at the girls homes with the girls acting as hostesses, and serving refreshments after the meeting.

Plans for this coming year include, a trip to the Art Institute; "Breakfast Can Be Fun" party; a window display; South Cook County 4-H Rally; a foods tour; a sewing tour; a local achievement night; county achievement day; the 4-H Fair and recognition night this fall.

the Fun Contest and a picnic to end the year.

Looking to next year—the Nelsons are moving to New York at the close of this year and Mrs. George Phillippo will take over as Club Leader.

Tinley 4-H Hustlers In Tenth Year

This year will mark the tenth anniversary of the Tinley Hustlers 4-H Club. The club began in 1951 under the leadership of Ray Callahan and Earl Siemsen.

Original members were: Earle and Merle Bettenhausen, Theresa Bradley, Jerry Burlson, Dennis Judy, Merlin and Rex Callahan Robert Oberin, Carol Siemsen and Warren Schultz.

The first meeting was held in Callahan's home. We have continued this practice of meeting in the member's homes with the exception of our achievement and safety meetings which are held in the Tinley Park Farm Bureau Hall. One meeting each year is devoted to safety, fire prevention, first aid, or health depending upon which activity our club is participating in that year. Some other activities our members have participated in are 4-H camp, Share-The-Fun, Keeping Fit, window display contests, demonstration contests, Plowing Contest, and Tractor Rodeos. These activities are in addition to the regular projects each member is enrolled in.

The club as a group has cooperated with the V.F.W. Auxiliary in preparing and distributing gifts to the veterans in the institutions in this area.

It has been the policy of the club not to place a great deal of emphasis on awards or recognition, but rather to encourage all members to do their best in carrying out their projects and assisting with the club programs. However, in the ten years of the

club's existence members have received many awards. The most significant of these was the "Club of the Year" received in years 1953, 1955, and 1956. The club has also been recognized for its participation in the safety activity.

Three of the members have been honored by being named 4-H King. These were Edwin Kujawa, Joe Halper, and Warren Schultz. One member was named 4-H Queen. This member was Carol Siemsen. Through the projects exhibited at the 4-H Fairs by members, 24 grand champion trophies were won.

Six members appeared on either radio or television programs and were interviewed concerning their work in 4-H. They were: Carol Siemsen-poultry project, Barbara Manzke-home garden, Richard Wille - home garden; Jean Siemsen - poultry project; Walter Wille - seed germination demonstration and Leroy Bornet - swine. Waler Wille also gave his demonstration at the State Fair in Springfield.

The present club is comprised of 22 members enrolled in 52 agricultural projects. The officers for this year are: president, Jean Siemsen; vice-president, Richard Wille; secretary, Sharon McNamara and treasurer, Jerry McNamara. The present leaders are Mr. and Mrs. Earl Siemsen.

The program for this year includes regular monthly meetings with members giving talks and demonstrations on their projects at the meetings. The meetings are held on the second Monday of each month. Plans for a tenth anniversary reunion are in the making for the month of May. The club will have the annual project tour and weenie roast in July.

Worthwhile Is Joint Home Ec.-Ag. Club

The Worthwhile Agriculture and Worthwhile Home Economics 4-H Clubs hold joint meetings at the Hardt or the Conway residences near Worth. This year the officers consist of two Home Ec. members - Pat McCormick, president and Sophie Dyrz, vice president - and two Agriculture members - Ed Koehne, secretary and Fred Dyrz, treasurer. All these officers were in 4-H for two or more years.

George Mulderink is in charge of talks & demonstrations. The games after the meetings are arranged by recreation chairman, Peggy Concannon.

At the last few meetings several members have talked or demonstrated what they have learned: George Koehne - talked on fire safety; Kathy Coverick - told the method used to shrink materials; Leslie Warning - told of his preparations for his spring gardening; Ed Koehne - showed how to make rabbit traps; and Cookie Klutchins - demonstrated how to fringe material.

These talks and demonstrations often encourage newer members to try their hand at a different project. Self-confidence is also gained by performing before a group.

At present, The Worthwhile 4-H'ers are planning to present a "get acquainted" type game at the beginning of the yearly Rally, which promotes the recruitment of new 4-H members. They are also making big plans for a Window Display to celebrate National 4-H Club Week, March 5 to 12.

Palos Heights Girls Help In Style Show

The original 4-H club of Palos Heights was disbanded in September, 1959. In October, 1959, seven of the original 4-H members and three new members began what is now a home economics club, called the Palos Heights 4-H Unit #1.

The club covers the Palos Heights area only, from Ridgeland Avenue on the East, to 76th Avenue on the West, from 117th Street on the North, to 127th Street on the South. The leader is Mrs. Harold W. Thune, 12303 S. 69th Court, Palos Heights, and her co-leader is Mrs. John E. Gildroy, 12123 S. 75th Avenue, Palos Heights. The president is Susan Sharpe, 12101 Richard Avenue, Palos Heights, and she also handles the publicity for the club. Vice-president, is Diane Gierke, 12601 - 76th Avenue, Palos Heights secretary-treasurer, is Carolyn Thune, 12303 S. 69th Court, Palos Heights.

This group meets in the leader's home, the business meeting is held on the third Friday of the month, from 7-9:30 on the first Friday of the month is the sewing workshop; second Friday of the month, cooking workshop and the fourth Friday, handicraft workshop. The work-shops are held after school, from 3:30 to 5:30.

Being a new club, it's first special event was to model clothes made in the past month, at the Palos Heights Women's Club style show, on March 1. Plans for the coming year include the 4-H window display, March 7-11; the Women's Club style show, a part of share-the fun program, to be held on May 10 and participation in the 4-H camping program, July 18 to 22, also a hope that one of its members might make honors to participate in the Illinois State Fair.

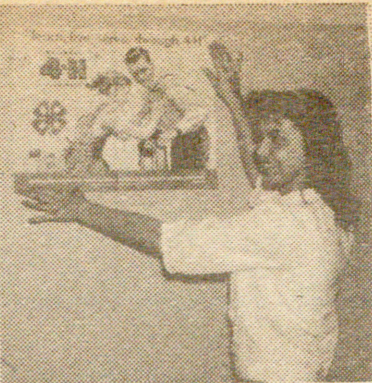

Any person who might be interested in working with girls or boys in the Palos Heights area may contact the leader and she will be happy to give you the information necessary to start another club. Quite a few boys and girls are unable to become 4-H members because of lack of facilities and leaders.

Work is proceeding rapidly on the 1960 University of Illinois Farm and Home Festival March 31 and April 1-2. Ten major exhibit stories will dramatically show an important part of college work that contributes to the festival theme, "Progress for Better Living."

Window Display Of 4-H Work On This Week

The green and white colors of 4-H Club work in story-telling displays will appear in merchants' windows throughout southern Cook County during National 4-H Club Week, March 5-12.

These displays will be set up by 4-H members as a part of their club's observance of 4-H Week. More than 60 entries are expected in the contest. This contest has been popular as a 4-H Club activity,

Clover Stems Organized In January, 1959

The Clover Stems organized in January, 1959, with five members who began with sewing projects. Meetings were mainly a combination of refreshments and games, but the members were urged to make use of baking and sewing in creating special themes for meetings.

An outstanding occasion in the opinion of the girls, was a trip to Chicago where they went to a style show and luncheon at Field's. In the spring, the members invited their parents to an exhibit of their projects and served them cake and coffee, which the girls had prepared themselves.

The Clover Stems now have ten members, and the leader, Mrs. R. O. McKinley, has an assistant, Mrs. Wayne Lemke. Officers are: Martha McKinley, president; Nancy McClenahan, vice president; Nancy Tarr, secretary-treasurer; and Cindy Lemke, program chairman. Meetings are held in the leader's home at 1227 Olive Road, Homewood.

Aside from the regular 4-H projects, the Clover Stems hope to learn how to make gift items which may be used for Mother's day. Horseback riding is planned as a special treat, as well as another visit to Chicago.

Arrangements have been made to have a window display in the Peerless Department store, and the group will again have an exhibit for parents.

The Clover Stems, who are 6th and 7th graders, demonstrate unusual ability in use of imagination, creativeness, and originality. Debbie Chayes and Carol Greenwald show dramatic talent in presentation of their original skits. Nancy McClenahan not only completes her 4-H projects but also makes many items of her own conception. She is in charge of the window display and shows that she is capable of organizing and creating a pleasing design.

according to William F. Whiteside, Cook County Associate Farm Adviser.

The windows are decorated to tell the public about 4-H Club work and what 4-H members are doing. Anyone interested in the 4-H program can contact a local 4-H leader or the County Extension office, South Street & 66th Court, Tinley Park, phone: Kellogg 2-4374.

Julia Melvin Top Girl In Flying Needles

The Flying Needles 4-H Club of Matteson is a Home Economic Club and is starting its eighth year with the following officers. President, Jeannette Naylor; vice president, Mary Welke; secretary, Sandra Mc Avoy; treasurer, Jo Ann Muffley; hospitality chairman, Cathleen Green; recreation chairman, Micheline Galligan; color bearers, Jane Kappel and Carol Feehery. Mrs. Lawrence Melvin is in her eighth year as a club leader. Ann O'Connor and Julia Melvin are starting their third year as co-leaders. The Rich Home Bureau Unit is the sponsoring organization.

The present membership of 22 girls consists of a charter member, Julia Melvin and Ann O'Connor a sixth year member. Linda Busse, Mary Logan, Sandra Mc Avoy, Jo Ann Muffley, and Jeannette Naylor are third year members. Judith Bonsignore, Carol Feehery, Jane Kappel, Nancy Lay, Micheline Galligan, Cathleen Green, Donna Mc Avoy, Carol Rambo, Diane Stahl and Mary Welke are second year members. First year members are Melody Jennings, Susan Metzger, Ellen Peters, Robin Schweitzer and Anne Carol Witt.

The Flying Needles 4-H Club held its first meeting in March 1953 under the name Busy Fingers. The Charter was granted July 1, 1953 as Flying Needles due to another club previously registered in the county under the original name selected. The club completed its first year with 15 achieved members and during the seven years completed, 62 girls have enrolled and completed at least one year as an achieved member.

The club meets the second and fourth Saturdays at the Matteson Village Hall from 1 to 4 p.m. Any girls 10 to 21 years residing in Matteson or surrounding areas where clubs are not established, are eligible for membership.

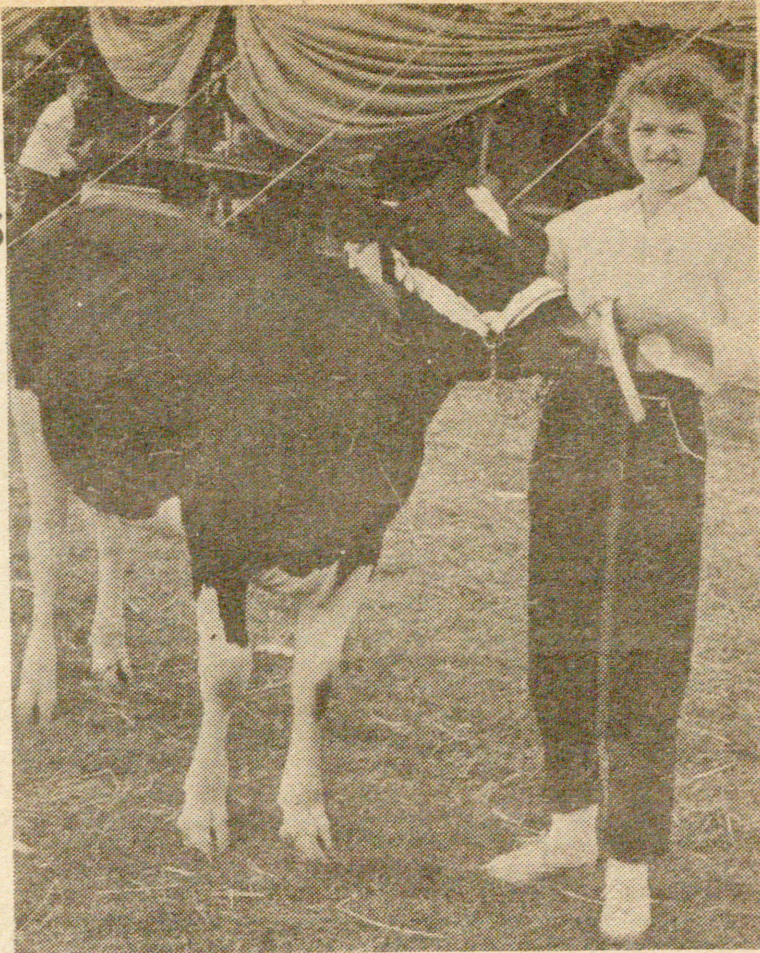

State and County Outstanding Member Awards were received by Julia Melvin at the South Cook 4-H Achievement Program. Ann O'Connor received County Outstanding and each received a sterling silver spoon. State and County Project Honor Awards were received by each and Mary Logan received County Project Honor Award.

A numeral guard for being a seven-year achievement member was awarded Julia Melvin. She was awarded the Illinois Farm Electrification Council 4-H 3-day trip to Chicago, representing District 1-A, consisting of 10 counties in Northern Illinois, also a 4-H jacket for her participation in the electric activity and County award. She received pins from the Kerr Glass Manufacturing corporation for the canning award, the Eli Lilly and company award in Health and General Motors award in safety.

A gold pin was awarded Ann O'Connor for five-years of achievement. She also received the Illinois Banker's Award for her demonstration at County Achievement Day.

Miss Melvin and Miss O'Connor are club delegates for the South Cook County Federation which meets monthly at the Farm Bureau Building in Tinley Park.

During the past year club members received achievement in 32 projects. Twenty in foods, six in

sewing and 6 in room improvement.

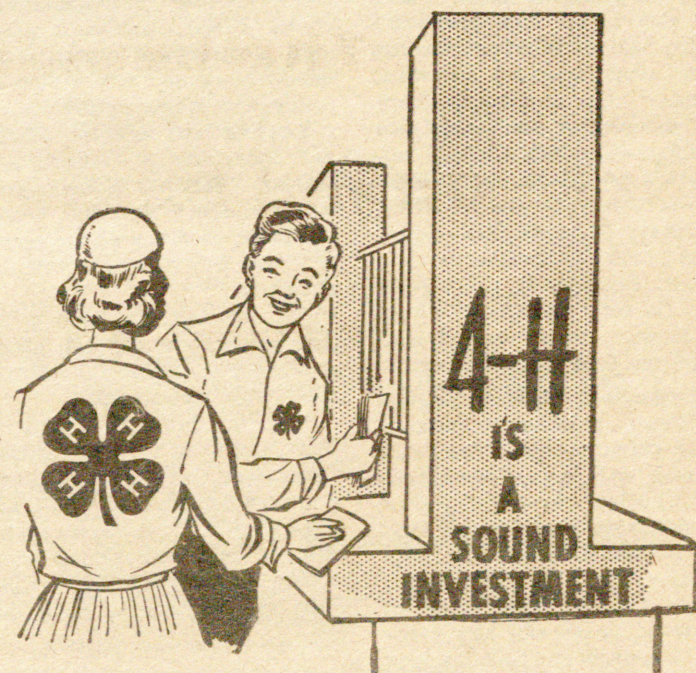

Demonstrations and talks were given in each project. Talks were given by members for the special projects of music, fire prevention, health and electrical.

Community service by the club consisted of helping collect for the Tri-Village Community Fund, singing carols in the Village during Christmas season and participating in the Memorial Day parade. A window display was entered into competition and fire prevention posters were displayed for National Fire Prevention Week, also distribution of hazard hunt stickers through out the village. A wash-your-duds party was given for the public as part of the electrical activity. Labels were collected and sent to the Pilot Guide Dog Foundation.

During the current year the girls took over the making and selling of candy for the annual

Fun Fair held by the Matteson PTA. A booth was decorated and receipts turned over to the organization for school projects. A pot luck dinner was held at Christmas followed by games and caroling. A roller skating party was attended at the Tinley Park Rink. Plans are under way for making of cancer bandages by girls of the sewing group. Help was given to the Matteson Community Fund and the club will march in the Memorial Day parade. Tours for the foods and sewing projects are being planned for the spring.

One of the major exhibits at the 1960 University of Illinois Farm and Home Festival March 31 and April 1-2 will feature "Chemistry in Agriculture." It will show the important contribution chemicals make in modern-day farming.

Cook County was proud to be represented by Miss Mascitti, who had a truly outstanding 4-H Club record.

Alpine Girls Make 100% Achievement

The Alpine Girls 4-H club was formed Feb. 9, 1953 in the Harwood Stellwagen home, where the meetings were held each month for the first two years at which time the club grew to the point that the meetings were held in the Maue School. It was established to include any girl in this part of Cook County who is between the age of 10 and 20 interested in 4-H work.

At each meeting a business session is held and a program presented, consisting of talks, demonstrations, and musical numbers, some recreation and refreshments at each meeting. Projects in home economics and agriculture as well as many activities, such

as health, safety, music, share the fun, window display, 4-H camp, keeping fit, judging and tours are part of the program.

The club plans to take a tour each year, visiting places of interest in connection with projects it is working on. Members do some community welfare work each year, such as the soap and wash cloth dogs made for orphans and assistance with heart fund drive.

Objectives are to develop talents for greater usefulness; join with friends for work, fun and fellowship; learn to live in a changing world; choose a way to earn a living; produce food and fiber for home and market; create bet-

ter homes and market; conserve nature's resources for security and happiness; build health for a strong America; share responsibilities for community improvements, and serve as citizens in maintaining a world peace.

Mrs. Harwood Stellwagen, who is leading the club for the eighth year is assisted by Sharon Laufer and Betty Jean Stellwagen who are in the third year as Junior leaders, and new Junior leaders this year are Kay Maue and Marie Meier.

This was a 100% achievement club last year, which means that each member has completed all the requirements of at least one project, also each gave a talk or demonstration, made an exhibit, completed the record book and attended two thirds of the meetings.

The only new member so far this year is Michal Nemoyer. In second year club work are; Carol A. Bettenhausen, Diane K. Coleman, Kathy Doctor, Janis E. Gee, Pamela Koester. Third year girls are; Melody Kee and Barbara Strassenberg. Four year members are Beth L. Doctor, Mora Holz, Janice Knieriem. Two are in fifth year; Charmaine Bartar, and Joan Stellwagen. Elaine Yunker is in her sixth year. Eight year girls who have been in from the clubs beginning are Sharon Laufer, Kay Maue, Marie Meier and Betty Jean Stellwagen.

County project honor members last year were Carol Bettenhausen, Diane Coleman, Kathy Doctor, Joan Stellwagen, Janice Knieriem, Kay Maue, Marie Meier, Betty Stellwagen and Elaine Yunker.

Do-R-Best 4-H Is A Busy Combined Club Of 45

Early in the year of 1949 a group of young people organized the Do-R-Best 4-H Club of Midlothian under the direction of Mrs. Claradell Upham, the Cook County Home Advisor. Mrs. Margret Stader was the enthusiastic leader with Mrs. Helene Mueller serving as assistant leader. From the beginning this has been a combined Agriculture and Home Economics Club. Meetings were first held in the Village Hall and later in the Parish hall of Hope Lutheran Church. The past year all club activities have been held in the basement of the E. W. Mueller home with regular meetings held on the first Monday of each month at 7:30 p.m.

WIN 1st PLACE

The club took an active part in Midlothian 25th Anniversary Jamboree by entering a float in the parade and capturing a first place award with the theme "Parent Cooperation". They also presented a skit and operated a food stand that year. Floats have also been entered in the July 4th parade in Blue Island.

Club tours have been made to bakeries, clothing factory, sewing machine center, soap factory, packing plant, and Museum of Science and Industry for "Christmas of All Lands" programs. They have had family picnics and swimming, family roller skating parties and an annual family banquet. Regular project tours have been made to the homes of those carrying agriculture projects. Club exhibits have been entered in local Garden Club Flower Shows, Annual Club Achievement Programs and Recognition Nights have been held. Each year a candle-lighting ceremony for the induction of the new members is carried out.

Some of the outstanding demonstrations given by individuals have been on food preparation, yeast breads, food preservation, flower

arranging, leather tooling, wood finishing, preparing eggs for market, judging fowl, conditioning soil, making a hot bed, preparing a seed bed, constructing a bee aviary, and selecting vegetables for judging.

Each year at least two members have attended camp for a week at Camp Shaw-waw-nas-see near Kankakee, living in log cabins, swimming, hiking, doing handicraft, participating in stunt nights sports and practicing citizenship.

The Do-R-Best 4-H Club has drawn members from Midlothian, Blue Island, Crestwood, Oak Forest, Bremen Heights, Posen, and Markham. Some of these members have made farming their chosen occupation; some are registered nurses, college music majors, elementary grade school teachers, pretheological student, and quite a number have chosen home-making for their career.

In 1958 the Do-R-Best 4-H Club was presented the South Cook County Club of the Year award. Other outstanding awards captured by its members were trips to the Illinois State Fair by Gretchen Mueller in sewing, Rachel Mueller for flower arranging, and Carole Stader and Rachel Mueller for food preparation demonstrations. Gretchen Mueller was invited to display her canned foods exhibit in the lobby of the Federal Savings and Loan Bank in the heart of Chicago's Loop. Carole Stader gave a food demonstration over television. Several other members have appeared on television programs. Gretchen and Dick Mueller, and Kenneth and Jack Uthe have been chosen as South Cook County King and Queen candidates. Robert Fiddler, Kenneth and Jack Uthe, Dick Mueller and others have brought home county fair trophies for their exhibits in poultry, gardening, and rabbits. Joan Uthe, Bettelou Hansen, and Carole Stader have won State Outstanding project honor awards.

The year 1960 finds an active club membership of about 45 mostly registered in Home Economics and handicraft projects with very little interest in the Agriculture projects. Joan Uthe is the able president, Rachel Mueller vice-president, June Gilbert and William Mueller secretaries, Jack Uthe-treasurer, Sharon Allison and Barbara Kumaniak-reporters and Beverly Hansen-recreation leader. Patricia Stedman is serving as chairman of the Window Display committee and Kathy Danahy is in charge of the Bake Sale to be held March 12 during 4-H Club Week.

Several veterinarians will discuss widespread turkey diseases at the Illinois State Turkey Growers' Association annual meeting in Urbana March 3.

GIFT TO THE LIBRARY—These two Tinley Park 4-H members, Dorothy Stelter, Helping Hands 4-H (left) and Ronald Manzke, Tinley Hutstlers, are presenting a copy of "The 4-H Story" to Miss Olive E. Pillsbury, librarian in Tinley Park and Mrs. Bernard Ercius, Library Board Member.

Helping Hands Are Active Tinley Club

The Helping Hands 4-H Club was organized in January 1955 with a group of 15 girls present at a meeting in Mrs. Harding's home on Central Ave. The girls were from Cooper's Grove area and were under the leadership of Mrs. Wroblewski and Mrs. LeRoy Bauman. The group is sponsored by the Bremen Home Bureau.

Since that time, the membership has changed with the years until the 26 members now are from the Tinley Park area. Mrs. Bauman is leader with Mrs. Robert Rich as assistant. Sharon Anast, five year member, is junior leader.

Dorothy Stelter, six year member, is president of the group. Other officers are: vice president, Diane Ziska; secretary, Carole Daniel; treasurer, Kathleen Russell; reporter, Judy Blitvich; social coordinator, Carol Hoffmann. Meetings are held the third Friday night of the month in the educational unit of Tinley Park Methodist Church.

Members of the 4-H Home Economics Clubs may enroll in projects in clothing, foods, room improvement, party-a-month, handicraft and a popular new one this year, baby sitting. Activities such

as talks, demonstrations, health, fire prevention, music and others also enrich the scope of club work offered members ten to 21 years of age. In the Helping Hands 4-H Club, there has been work in all of the above with members 10 through 16 years of age participating.

The Helping Hands entered a float in the Labor Day parade last September as their first activity of the year. Following were a hayride and Halloween party, swim party at Bremen, and a Christmas party for younger brothers and sisters. In line of community activities, representatives made centerpieces for a dinner, helped stuff stockings for Santa's visit to Tinley Park last December and sent gifts to the Contagious Hospital in Chicago.

County and State Project honors have been awarded to a number of the girls; two years ago, Betty Rich won a trip to the State Fair in flower arranging. Last year the window display was awarded a purple ribbon in county competition.

Future plans include a health night, parent's dinner, tour to Kroger's warehouse when weather permits, window display during National 4-H week March 5-12 at Western Tire and Auto Store, participation in County Rally March 8, Share-the-Fun - on May 10 and other activities still in the planning stage.

Orland Eager Beavers And Beaverettes Reorganized

In October, 1958 the Orland Eager Beavers was organized as a club for boys and girls, but in one year the membership had risen to 45 and it was decided to divide the membership into two clubs, one for boys and one for girls. The Orland Eager Beavers was made a boys club and the Orland Eager Beaverettes became a new girls club in 1959.

Mrs. Marvin Cooper is a leader of both clubs, and receives assistance from Mrs. John Ferris with the Eager Beaverettes. Outstanding members of the combined group last year were Elaine Sheehan, beef; Gary Andresen, beef and Robert Cooper, dairy.

Last year the Eager Beavers learned leathercraft, and the boys made a billfold from the tooling to the weaving and conditioning of the article. This year the club instruction will be in metal craft. Each session consists of two or three talks and demonstrations and the rest of the evening working.

The Eager Beaverettes are concentrating on handicraft this year and are working on crocheting and wood painting. They are planning a hay rack party this summer with the boys and a tour, destination not yet known.

Beaverette officers are Elaine Sheehan, president, Claudia Breitbarth, vice president; Nancy Ferris, secretary-treasurer; Sharon Koveikis, recreation chairman; Janis Moulton, reporter and Sharon Breitbarth, federation delegate and junior leader.

Officers of the Eager Beaver Club are Randy Horn, president; James Sheehan, vice president; Robert Cooper, secretary-treasurer; Gary Andresen, recreation chairman; Mike Ferris, federation delegate; and Fred Hamilton, junior leader.

The Eager Beavers have one project a year to make money for tours and handicraft materials. Last year's project was a card and bunco party which netted \$88. With that money, the boys went to the Chicago Stock show and bought signs for the front yards and metal trays and engravers for the metal craft work.

South Cook County Plans 4-H Week Rally At Sandburg

Members of 4-H in South Cook County will observe National 4-H Club Week by staging an area-wide rally, March 8, 7:30 p.m., at Carl Sandburg High School. More than 300 4-H'ers are expected to attend the rally, according to William F. Whiteside, Cook County Associate Farm Adviser.

This annual event has a three-fold purpose: (1) Draw attention to 4-H work; (2) Increase membership and (3) Generate enthusiasm among present 4-H members to "Make the Best Better".

The program features an unusual method of presenting a story about traffic safety, by Frank Burrows of the Citizens' Traffic Council. The 4-H Federation will also conduct games and dancing as a part of the rally. 4-H members, youngsters interested in 4-H, parents, leaders, and friends of 4-H, are welcome at the rally.

Merry Markhamettes Are One Of Newest In South Cook Co.

One of the newest South Cook County 4-H Home Economics clubs is the Merry Markhamettes. They were organized in August, 1959 at the Markham Community Building where they meet the second Wednesday of each month.

Officers of the club are Susan Cermak, president; Delores Miller, vice president and federation representative; Jill Nebeker, secretary; Judy Walton, treasurer and Ruth O'Brien, recreation chairman. Leaders are Mrs. Ruth Miller, Mrs. Lorraine Walton and Mrs. Margot Gouwens.

Cooking, sewing, chip carving, health and safety are the club's main activities. Book ends are being made with chip carving, first aid is the club's health project and all but one girl are making jumpers. A hobo hike is planned for May recreation. Two tours

will be taken this summer, but the destination is unknown.

Toys will be made for local hospital pediatric wards as community projects. All the girls are hoping to show their work at Achievement Day in August. The club achievement day will probably be in August also.

In December the girls held a Christmas party and during the year they took a trip to Art's Roll-Aire Rink in Harvey.

The club was bolstered by the addition of some girls who have two years of work from the now disbanded Creators Club. They are achievement members; Susan Cermak, Jill Nebeker, Judy Walton, Diane Van Gorder and Delores Miller.

The club is open to all girls attending Markham schools or Bremen High School.

Busy 66 4-H Club Grows And Grows

The Busy 66 Club was organized four years ago by Mrs. Roger Pierce who was once a 4-H member herself. Mrs. Pierce thought there should be a club for the community in which she lives, so she called the DuPage County Home Advisor and they organized the "Busy 66 Club". The Club covers the Cass Community and Gower School district.

Pat and Nancy Bierman are junior leaders. The club got top rating, a gold plaque and a blue ribbon for their cooking program and window display.

Their newest project is to raise money for the Television Education Channel 11. They have been to Chicago and met all the people who help produce the programs. They have been giving different

types of parties to raise this money. There are four schools in the Lamont area active in this project. Yvonne McFarland is the chairman.

Two years ago the club divided into two groups of 25 each, and the club has grown in number so fast that it was divided again this past year.

Lois Mannfel is president; Nancy Bierman, vice president; Mary Mannfel, secretary; Martha Smith, treasurer; Pat Bierman, news reporter; and Nancy Wallace recreation chairman.

The meetings are held at Cass School every second Monday of every month. In the future they would like to have more special events, speakers and individual classes for the girls.

This club really feels that more

girls should go to camp. Camp Shaw-wa-na-see is located at Kankakee, it has a large variety of classes for sewing, cooking, etc. A new swimming pool is being built this year, which should provide a large amount of pleasure for the girls.

The membership consists of these girls: Pat and Nancy Bierman, Toni Boutin, Lorie Field, Karan Kalinoski, Lois, Mary, Janice and Donna Mannfel, Yvonne McFarland, Jeanette Riebeck, Cheryl Rutar, Marleen Shaible, Martha Smith, Linda and Nancy Wallace, Judy Whittaker and Pat Vogel.

HAS RESERVE CHAMPION--John Subat, Jr. of the Lace 4-H Club Downers Grove took seven champion, grand champion and reserve champion awards at the Du Page County Fair last August. One of his awards was a reserve championship for this heavy-weight angus steer. He is now studying pre-veterinary medicine at the University of Illinois.

WINNERS --- These girls sent their dresses to the State Fair last August to be judged on construction. They were winners in the County 4-H Show. From left they are: Donna Rae Meyer, Jackson Livewires; Beverly Torok, Green Garden Snip 'n Snack; Sandy Bettenhausen, Green Garden Snip 'n Snack; and alternates: Pam Smith, Plainfield Clever Maidens; Carol Torok, Green Garden Snip 'n Snack and Pat Gorman, Florence Symerettes.

Handy Dandys New But Busy In 4-H Work

Sept. 12, 1958, a group of girls from the Tinley Park area, gathered at the home of Mrs. A. Zwyac at 6560 Pine Point Dr., to make plans for a new 4-H club. The girls decided to name the club "Handy Dandys". Business meetings were held on the second Friday and craft meetings on the fourth Friday of every month for 10 months from 7 to 9.

All meetings were held at the home of the club leader, Mrs. Zwyac. Eleven girls completed the first year sewing project for which each received a blue ribbon which each received a blue ribbon. Each of these members also received a blue ribbon for their handicraft work. Some of the things they made in handicraft were, blackprinted greeting cards, French poodles made of yarn, floral decorated plates and engraved aluminum trays. All of these things were on display in Kleppers Bakery window during National 4-H club week that year.

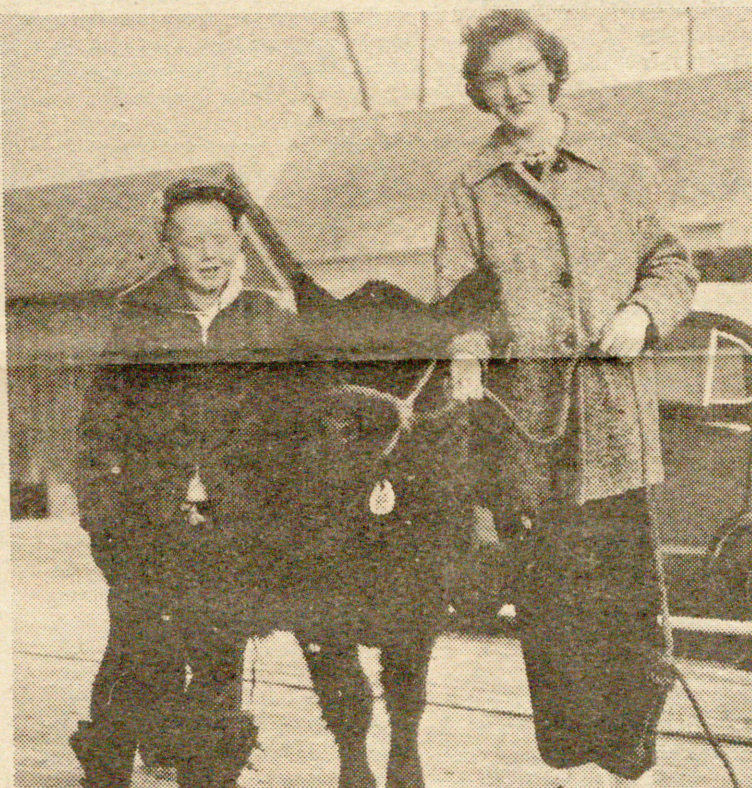

Diane Conron, Kathleen Ellement, Jill Gaudio, Elaine Mattson, Margaret Mc Namara, Patricia Steeves, Janice Reynolds and Claudia Zwyac were awarded a Certificate of Achievement, a year pin and \$2.00 each for completing one year in 4-H club work. All of them, with the exception of Patricia Steeves, are in their second year of club work now.

The Handy Dandys began their second year Oct. 9, 1959. Officers for the year are: president, Jill Gaudio; vice president, Claudia Zwyac; secretary - treasurer, Elaine Mattson; recreation, Marilyn Bock; telephone, Sharon Wendt; federation delegates, Elaine Mattson, and Claudia Zwyac. There are ten members in all.

The program for the year has not been completed as yet but all members are enrolled in projects, party-a-month and stenciling. So far four girls have completed textile painting on material. Eight are finishing sock dolls and one member engraved a large tray.

The club planned and carried out a Christmas and Valentine's party which was a "Little Brother and Sister" affair, two members are enrolled in second year sewing which comes under the heading of "You Make Your Own Clothes". Another two are enrolled in "You Learn to Bake".

Anyone who would like information on leadership, may call KE-2-4928.

HOW MUCH DOES MY STEER WEIGH? - Duane Mark and Carolyn Patz, children of Mr. and Mrs. Clinton Mark, Frankfort, hold Carolyn's steer while it is being weighed. Carolyn is a member of the Town Hall Blue Winner's 4-H Club. She was one of 24 Will County 4-H'ers who had their steer calves weighed at local grain elevators. The steer will be entered in the Jr. Feeder Project, which was started this year.

31 Girls In New Lenox Bluebirds

The New Lenox Bluebirds 4-H Club was organized in 1946 with a membership of 15 girls of grade school age. At the present time there is a membership of 31, with the majority of the girls carrying foods and clothing projects.

During the past 14 years the members have won numerous awards. Last year four girls received the Junior Key Club Award for outstanding work in their beginning years. The four girls were Linda Shepherd, Nancy Braun, Connie Corp, and Cheryl Stoner for first, second, third and fourth year work respectfully. The club scrapbook of the years activities won first place in the county contest. Judy Termuende won the honor to attend the State Fair for food demonstration and Connie Corp was chosen as an alternate. Deana Sims represented Will County in the public speaking contest at the State Fair after winning in the Will County Contest.

In August the club had a bake sale to raise money for a large double stone fireplace at the Fred A. Francis 4-H Field in New Lenox. The fireplace, when completed, will be a memorial to the late Cici Baers Ruthenbeck who was active in 4-H work.

In November the club sold candy to raise money for the Francis Field Fund. At Thanksgiving the members made cookies and gave them to the children of the orphans in Joliet. At Christmas time they made candy wreaths for the orphans. For Valentine's Day the girls made tray favors for the patients at Silver Cross Hospital.

Those leading this active group are: Cheryl Stoner, president; Mary Ann Sampson, vice president; Betty Dowle, Secretary; Janice Sampson, treasurer; and Susan Webb, reporter. Mary Ann Sampson and Judy Termuende are the Junior leaders. Mrs. Gus Termuende and Mrs. Lawrence Kestel are the leaders.

Members are: Donna Baughn, Sally Bell, Nancy Braun, Connie Corp, Charolette Chandler, Patricia Dolan, Sherrill Douglas, Betty Dowle, Kathryn Hahn, Georgia Handorf, Pamela Hartung, Joan Kestel, Carol Ann Lewis, Cathy Martin, Diane Moss, Penny Mc-

Partlin, Patsy Peceniak, Terry Reiter, Janice Sampson, Mary Ann Sampson, Susan Reed, Evelyn Scapardine, Joyce Schwab, Susan Schwab, Linda Shepherd, Doreen Smith, Cheryl Stoner, Judy Termuende, Susan Webb, Cathy Cordini and Jeanine Peters.

Monthly meetings are held at the Lions Den at New Lenox. The club hopes to have a 100% completion in all projects this year.

Mrs. Katherine Ihlenfeld

Clover Belles Leader In 4-H For 23 Years

The Clover Belles 4-H Club of Orland Township has a long and somewhat involved history. Mrs. Katherine Ihlenfeld is presently a co-leader with Mrs. Irwin Hoyer. Marjorie Kimmel is the junior leader.

Mrs. Ihlenfeld began 4-H work in 1937 when she joined Mrs. A. W. Fremon and Mrs. Arthur A. Fulton to start the Jolly Circle 4-H Club of Forest Ridge. In 1940 Mrs. Ihlenfeld organized the Orland Girls 4-H Club. This was the first such club in Orland Township.

In 1951, this last club was renamed the Clover Belles.

Outstanding members of the Clover Belles in 1959 were Marjorie Andres, Marjorie Kimmel, Carol Kimmel and Carol Monson. The club meets at the homes of members every second Friday of the month.

Officers for this year are Carol Monson, president; Christine Klum, vice president; Candice Pettit, secretary; Jean Schilling, treasurer and Susan Nalepka, reporter.

THEY SHOW HOW TOO — These young 4-H Misses not only know how to cook but they show how, with the top food demonstrations in Will County. They proved this ability in the 4-H County Show in August of last year. From left in front are Mary Ellen McGrath, Wesley Busy Bees; Ruth Reinfore, Green Garden Snip 'n Snack; Janet Johnson, Green Garden Snip 'n Snack; Jean Ann Meyer, Jackson Live Wires and Sally Lehnert, Green Garden Snip 'n Snack. From left in the back row are Beverly Riegel, 1st place winner from Peotone Cleverettes; Judy Termuende, New Lenox Blue Birds; Veronica Zirzow, Crete Busy Beavers and Bonnie Mlynarik, Lockport Country Charms.

Country Charms Win Awards

The Country Charms 4-H Club was organized in 1956 with a membership of 10 girls under the leadership of Mrs. Joseph Mlynarik. Mrs. Edmond Sendra was assistant leader. The girls, mostly from the Homer Area of 143rd St., held their meetings in the Homer Fire Barn. It was a Home Economics club with sewing and cooking as major projects.

In 1958 and 1959 Mrs. Gailen Holloway took over the leadership of the Country Charms with Susanne Burcham and Bonnie Mlynarik and junior leaders.

Twelve girls were enrolled and all showed their completed projects in sewing and cooking at the 4-H county fair in Peotone. The girls who completed their work in 1959 got the following awards: dress revue pins, Bonnie Mlynarik, Susan Kinney, and Becky White; county project honor member awards went to Judy Simmer-

mon, Gayle Meyer and Bonnie Mlynarik; county outstanding club member award went to Bonnie Mlynarik and Gayle Meyer; certificates of achievement went to Cathy Zander, Carol Nordstrom, Carole Hannus and Cindy Blum. The State Project honor member award went to Bonnie Mlynarik.

In 1960 Mrs. George Brown became assistant leader and enrollment has increased to 23 members. Most of the meetings are held in her home on 143rd st. and Hillcrest Road on the first and third Fridays of each month.

Present members and officers are: Bonnie Mlynarik, president; Becky White, vice president; Cathy Zander, secretary; Cindy Blum, treasurer; Linda Ward, reporter, and Audrey Brown, in charge of recreation.

Other members are Gayle Meyer, Susan Kinney, Carole Hannus, April Rodighiero, Carolyn Brad-

ley, Lynn Suiter, Joan Bormet, Karen Meadors, Marianne Grenko, Marjorie and Kathleen Hannus, Martha Schacke, Diane Molken-tine, Kathleen and Nadine Findlay, Elizabeth Matesi and Sandra Jungles.

Outstanding events the club has participated in are: Share -the- fun; 4-H Rally; Day Camp; Camp Show Waw-nas-see; county show; local achievement; window display and community projects.

District Session

Recently a 4-H Leaders District meeting was held at the Kankakee Hotel, Kankakee. A large group of leaders from Cook, Will, Kankakee Iroquois, and Ford counties gathered to exchange ideas on Share-the-Fun activity in club work.

Bill Stone, Ruth Dickens and Polly Parrot from the University of Illinois staff were there to guide leaders and offer ideas.

Birch Bark Girls Work At Homewood

The Birch Bark 4-H Club started in 1955 when several girls in the neighborhood were interested. Nine girls started the club and made plans for the first year at a picnic supper in the home of the leader, Mrs. William Dolph.

Most of the members come from the west side of Homewood with two girls from Homewood.

Last year the club made 18 kimono for the community project to give to the Evangelical Welfare Agency in Chicago. The club made an interesting trip to Jay's Potato Chip plant and went to Klines Department store in Chicago Heights to visit the yard goods section. The clerk showed them through and talked of the different kinds of material and ways they can be used. He also gave some advice on patterns. Each year the club has one

meeting on first aid, also an electric activity which was "Suds Your Duds" last year. There were eleven members last year. The members this year are: Julie McDonald, Ruth Ann Hartshorne, Laura Burns, Susan Keneipp, Madelyn Keller, Bonnie Adams, Carole and Marilyn Przybyla, Lynn Dekker, Mary Washburn, Patricia Moorman and Helen Walsh.

In 1959 they were a 100% club. When the local achievement day was held they invited mothers, friends and prospective club members. Members meet at the home of Mrs. William Dolph, leader.

Last year eight of the girls received an A rating on their baked products at county achievement day: Bonnie Adams, Susan Eysenbach, Madelyn Keller, Susan Keneipp, Anna Mook, Patricia Moorman, Carole and Marilyn Przybyla.

Busy Beavers Enjoyed An Active Year

The Busy Beavers 4-H Club was organized in Homewood by Mrs. M. Messinger and her daughter, Sanna in their home. Year by year membership changed until last year none of the original members remained. In 1958 Mrs. Henry Calvert became the leader and the meeting place was changed to the Calvert home.

A trip to the Modern Living Exposition at Navy Pier; four parties, each with its own theme and special committee; guest "speakers" and demonstrations on the subjects of "Nail Care" and "Artificial Respiration," making of greeting cards; making of valentine "tea caddys" for patients at Oak Forest Infirmary; Christmas caroling; and a local achievement night highlighted the past year's activities at the club's 20 planned meetings.

Janice Calvert received a dress medal and a State Project Honor Certificate. The nine other girls also achieved in at least one project from the sewing and cooking, and flower arranging fields in addition to the entire membership participating in "Party-A-Month" and "Greeting Card" projects.

These girls also participated in 4-H activities in music, judging, demonstration, health, safety and recreation. During 4-H week they displayed some of their club work at Hoekstro's Cleaners in Homewood.

Five girls attended County Achievement Day at Tinley Park; two modeling skirts, one making flower arrangements, two exhibiting greeting cards and three showing baked products.

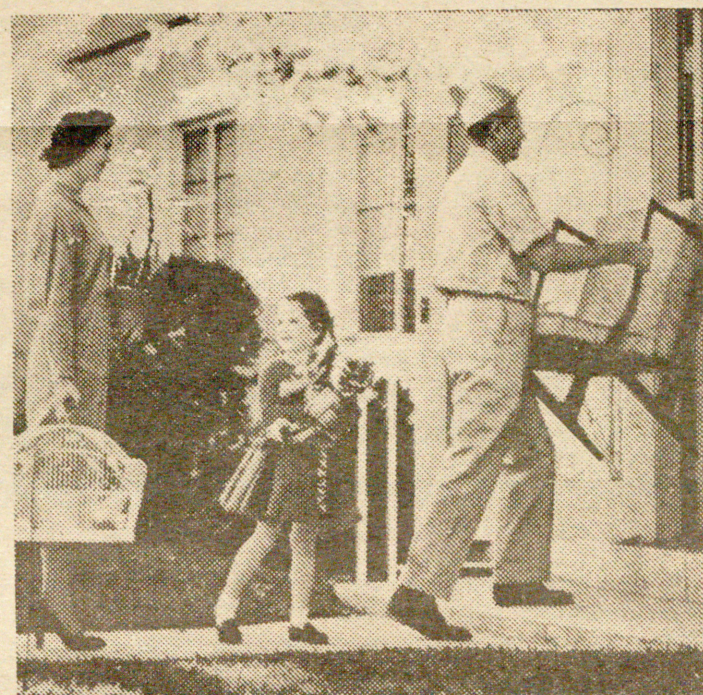

All the members attended officer's training school and had a turn to serve for ten weeks each in one of the club offices. Serving as officers were Susan Tretynak, president, Linnea Gustafson and Lois Donaldson, secretaries; Pat Clark and Suzanne Egner, treasurers; Marsha Marcenkus and Janet Calvert, reporters; Susan Anderson, games chairman; Barbara Billings and Kate Brink, program chairmen.

Activities at the new high school make it uncertain whether the girls will organize for 1960 to participate in a minimum club program.

HOME MADE FASHION PARADE - At the 4-H Rally held at Will County Fairgrounds at Peotone the youngsters have an opportunity to furnish the costumes for a fashion show. This can tax many imaginations as to what to do with what you have.

HOW DID MY GARDEN DO? - These 4-H youngsters are learning potato grading as taught by Alden Miller of the University of Illinois Horticultural Station at Downers Grove. Potato grading is one section of the vegetable judging school held annually for 4-H members.
